A REGULAR CRIPPLE.

THE STORY OF AN OLD SETTLER IN DUFFERIN COUNTY.

Suffered Terribly with Rheumatism, and Had to use Mechanical Appliances to Turn in Bed—Friends Thought he Could Not Recover.

From the Economist, Shelburne, Ont.

Almost everybody in the township of Melancthon, Dufferin Co., known Mr. Wm. August, J.P., postmaster of Auguston. Mr August, now in his 77th year, came to Canada from England forty years ago, and for thirty eight years has been a resident of Melancthon. During some thirty years of that time he has been a postmaster, and for eleven or twelve years was a member of the township council, for some years holding the position of deputy reeve. He has also been a justice of the peace since the formation of the county. It will thus be seen that Mr August stands high in the estimation of his neighbours.

In the winter of 1894-95 Mr. August was laid up with an unusually severe attack of rheumatism, being confined to the house and to his bed for about three months. To a reporter of the Economist, Mr August said: "I was in fact a regular cripple. Suspended from the ceiling over my bed was a rope

which I would seize with my hands, and thus change my position in bed or rise to a sitting posture. I suffered as only those racked with rheumatic pains could suffer, and owing to my advanced age, my neighbours did not think it possible for me to recover. I had read much concerning Dr Williams' Pink Pills and at last determined to give them a trial. I commenced taking the pills about the 1st of Feb, 1895, taking at the outset one after each meal, and increasing to three at a time. Within a couple of weeks I could notice an improvement, and by the first of April I was able to be about as usual, free from the pains, and with but very little of the stiffness left. I continued the treatment a short time longer and found myself fully restored. It is now nearly a year since I discontinued taking the Pink Pills, and I have not had any return of the trouble in that time. I have no hesitation in saying that I owe my recovery to Dr. Williams' Pink Pills."

These pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis locomotor ataxia, St. Vitus' Dance, nervous headache, all nervous troubles, palpitation of the heart, the after effects of la grippe, diseases depending on humors of the blood, such as scrofula, chronic eczypelas etc. Pink Pills give a healthy glow to pale and sallow complexions, and are a specific for troubles peculiar to the female system, and in the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses. Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Co., Brockville, Ont. or Schenectady, N. Y., at 50c a box or six for \$2.50. See that the company's registered trade mark is on the wrapper of every box offered you and positively refuse all imitations or substitutes alleged to be 'just as good.' Remember no other remedy has been discovered that can successfully do the work of Dr. Williams' Pink Pills.
