RIPANS

ONE GIVES RELIEF.

NO MATTER WHAT'S THE MATTER ONE OF THEM WILL DO YOU GOOD.

Rev. Frederick R. Marvin, long-time pastor of the First Congregational Church, of Great Barrington, Mass., and at one time a practising physician, a graduate of the College of Physicians and Surgeons, New York, says of Ripans Tablets: "The formula has long been in favor with medical men, and the method of preparation in the present form is modern and a great convenience. I always keep a vial of the Tablets upon my dressing table, and use them with confidence whenever occasion arises. For a disturbed condition of the digestive organs I know of nothing so good, and for an 'all round' family remedy I do not believe there is anything better to be had."

HEALTH AND HOUSEHOLD HINTS.

To prevent colored stockings from fading put a tablespoonful of black pepper into the water in which they are rinsed.

Headache, toothache, backache or most any joint ache, will be relieved by heating the feet thoroughly with the shoes on.

Tumblers that have been used for milk should never be put into hot water until they have first been rinsed in cold water. The heat drives the milk in and gives a cloudy appearance to the glass which cannot be removed.

To clean gold jewelry, make a lather of plain yellow soap and tepid water, and wash the ornaments in it; dry them thoroughly, and afterward brush them with a little dry whiting, finally polishing them with a very soft leather.

To remove the unsightly marks caused by drippings from the faucets in marble basins, or in the water closet bowl, nothing equals pulverized chalk moistened with a few drops of ammonia. Apply with an old toothbrush and they quickly disappear.

Scotch Cake for Five o'clock Tea.—One pound flour, half pound butter, six ounces white sugar (granulated). Rub the flour and butter well together with the hands, add the sugar. Bake in a quick oven, and cut in small squares while hot.

Creamed Eggs.—This is a very nice dish for breakfast, luncheon or supper. Boil hard one dozen eggs, cut up small, season with salt and pepper; add to these one pint of white sauce. It is good then, or perhaps better if put in a baker, with bread crumbs and a little butter put on top, and browned.

There's risk in using cheap baking powders—when you want purity in your baking—health in your cooking—insist upon

PURE GOLD BAKING POWDER

To Make Camphorated Oil.—Camphorated oil is perfectly easy to make at home, and those who use a good deal in their nurseries will find it economical to do so. Place one ounce of camphor in a pint of oil in a jar, stand this in boiling water and let it remain till the oil is hot enough to dissolve the camphor.

Here is a good way to wash red flannel: Stir two tablespoonfuls of flour into one quart of cold water. Let it boil ten minutes, add warm suds and wash the flannel in this, using the hands instead of washboard. Rinse in three waters, all warm, and the same temperature. Even the bright scarlet flannel will never lose its color when thus treated.

Removing Stains.—Mildew is easily removed by rubbing or scraping a little common yellow soap on the article, and then a little salt and starch on that. Rub all well on the article and put in the sunshine. Or soap the linen, previously wetted, and apply salt and lemon juice to both sides. Or apply finely powdered pipe clay or fuller's earth, or finely powdered chalk. Whichever of these processes you adopt, expose the article for several hours to the atmosphere (in sunshine for preference) after treatment.

Lightning Cake.—Half pound butter, half pound granulated sugar, three eggs, half pound flour, rind of one lemon. Almonds. Beat the butter and sugar together until very light, then add the eggs, well beaten, stir in very gradually the flour, also the grated rind of a lemon. Have large flat pans and spread the batter very thinly on them (about one-third of an inch thick), then scatter mixed sugar and cinnamon and small pieces of blanched almonds on top. Bake a light brown. When done, cut in pieces and detach carefully from the pan. Keep in a dry place.

"Curling Without Ice."

THE LATEST POPULAR PARLOR GAME.

Scientific and Sensational, Fashionable, Fascinating, Brain Relaxer.

PRICE—\$3.00, Board only; with table, \$4.50.

Patented 1896 in Canada, United States and Europe by J. H. Cranston, Galt.

Every Home, Y. M. C. A., Club Room, Boarding House, and Hotel should have the New Game.

It is an exact reproduction of the original game on ice, with the advantage that it can be played indoors. There is sufficient skill required to make it interesting to young or old alike, player or onlooker.

The Premier of Canada, Hon. Wilfrid Laurier, has honored the inventor with an order for a Board and Table.

Most of the Y. M. C. A.'s and Public Institutions are ordering.

Toronto Globe says the game is ingenious and clever and will be an attractive one to all lovers of the "Roarin'" game on ice.

There is no one who ever has had the "Music of the Stones" in their ears but are going a bit daft over this new game.—D. A. Rose, Toronto.

It is a creditable invention worthy of a young Canadian and sure to be attractive to Canadians generally.—Bookseller and Stationer.

The more we play it the better we like it.—Dr. S. Meyer.

It is an up-to-date game. Everybody says so.
