A Great Temperance Story.

THE CRY OF THE TWO-THIRDS

By **S. R. GRAHAM-CLARK**

A Great Story with a Great Purpose

The Christian Endeavor World says:

"The dramatic interest is intense. There are word-pictures that will blaze their way into the human conscience as the branding-iron goes into the flesh.

"While the story grapples with the most gigantic problem of the century, it is far from being a sombre book. The skill and charm that have made the author's former works popular are strongly in evidence in this one. There are touches of child-life that melt the heart with delicious enjoyment. There are exhibitions of young manhood grand enough in their unconscious strength to make heroes bow to them."

A book for every family and every member of the family. As fascinating as it is powerful. Will be read and re-read, and shape character and conduct for life.
