A CHRISTMAS GIFT SUITABLE FOR EVERYBODY

Get the best, the most beautiful, the newest and the only strictly Canadian book on **THE BIRDS OF CANADA**.

W. T. MacClement, M.A., D.Sc., Professor of Botany, and Lecturer in Systematic Zoology, Queen's University, Kingston, Ont., has written a complete work on Canadian birds, which is designed to fill a long-felt want as an aid in studying those beautiful, tuneful and enthusiastic, though unpaid helpers of man.

Unlike other bird books on the market, it treats of the Canadian birds from the Canadians' view point; giving prominence to the haunts, habits, plumage and usefulness of the birds in Canada, rather than to their migrations throughout the United States.

The work is embellished with 60 full-page multi-colored lithographs, true to life in coloring, and showing the correct postures of the birds. Price Cloth \$2.50; Half-Leather \$3.00.

G. A. CORNISH, B.A., Lecturer in Science, Faculty of Education, Toronto University, has prepared a book on **HOW TO STUDY BIRDS**. A splendid volume, Cloth \$1.00; Half-Leather \$1.50.

Both books fully illustrated in Natural Colors, will be bound in one volume, Cloth \$3.00, Half-Leather \$3.75, or sold separately.

In getting this book as a Christmas Gift you will delight the child and furnish an inestimable aid in the Nature Study Course outlined in the schools.
