

PARAGRAPHIC.

OUR BRAVE VOLUNTEERS.
Endured the severe marching of the Northwest campaign with admirable fortitude. The Government should have supplied them with a quantity of the celebrated Putnam's Painless Corn Extractor. It never fails to remove corns painlessly, and the volunteers and everybody else should have it. Beware of substitutes. Get Putnam's Extractor and take no other.

Allowance is made in the Irish Land Bill for the "value of the tenant's good-will." The tenant's good-will in Ireland, however, is priceless. Lucky the landlord who possesses it!

It is a dangerous thing to allow the diarrhoea or dysentery to go unchecked, and there is no need of it. A small bottle of Johnson's Anodyne Liniment will cure the most stubborn case that can be produced.

Corn never grew from corn and wheat from wheat more legitimately than the sowing of cards in your household will produce a harvest of gamblers.

Hersford's Acid Phosphates.

FOR OVERWORKED FEMALES.

Dr. J. P. Cowan, Ashland, Ohio: "It proves satisfactory as a nerve tonic; also in dyspeptic conditions of the stomach, with general debility, such as we find in overworked females, with nervous headache and its accompaniments."

Nature is a great physician. Don't be afraid to trust her; she looks carefully after the interests of her patients' stomachs.

SCOTT'S EMULSION of Pure Cod Liver Oil, with Hypophosphites, For Wasting Diseases of Children, where the digestive powers are feeble and the ordinary food does not seem to nourish the child, this acts both as food and medicine, giving strength and flesh at once, and is almost as palatable as milk. Take no other.

A cheerful nature illumines all objects with sunlight, while a discontented disposition makes itself miserable everywhere.

GREAT SAVING OF LABOR.—We call the attention of the ladies to the fact that Minard's Liniment will not soil the clothes and is cleansing and healthful to the skin. Agent Guy Tremelling, 773 Craig street, Montreal. C. C. Richards & Co., proprietors, Yarmouth, N.S.

The best way to keep good acts in memory is to refresh them with new ones.

Fever and ague, malarious fever, bilious and typhoid fevers all originate in one producing cause and may all be easily prevented by Parson's Purgative Pills. These pills act directly and powerfully upon the blood.

Consumption Cured.

An old physician having had placed in his hands by a returned Medical Missionary, the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Catarrh, Asthma, Bronchitis, etc., after having tested its wonderful curative powers in hundreds of cases, desires to make it known to such as may need it. The Recipe will be sent FREE with full directions for preparing and using. Send 2 cent stamp. Address Dr. W. H. Armstrong, 44 North 4th st., Philadelphia, Pa. (Name this paper.)

Age brings experience; graybeards oft are wise;
But, oh! how sharp a youngster's ears and eyes!

MODERN IMPROVEMENTS.—Among the many articles put forth in the interest of housekeepers, nothing has become more popular than JAMES PYLE'S PEARLINE. Five years ago it was scarcely known; since then it has found its way to all parts of the country. Its utility is acknowledged by all who try it, and unlike most of the labor-saving compounds, experience has proved Pearline to be perfectly harmless to the most delicate fabrics, and we feel sure that no one will be without it after a fair trial.

PUTTNER'S EMULSION

OF COD LIVER OIL WITH HYPOPHOSPHITES,

CHEMICAL REPORT.

CHEMICAL LABORATORY, Dalhousie College, Halifax.

HALIFAX, N.S., Jan. 30th, 1885.

I have made analysis of Samples of the EMULSION OF COD LIVER OIL, prepared by the Puttner Emulsion Company, and they have explained to me the details of their process. The ingredients used, and the mechanical processes to which they are successively subjected, enabled this Company to prepare a Permanent Emulsion without the use of ACIDS or ALKALIES. This preparation has been known to me for many years, and when carefully prepared, is certainly a great improvement upon Crude Cod Liver Oil, not only being milder in flavor, but having the more substantial advantage of being in the best form for digestion and assimilation.

GEORGE LAWSON, Ph. D., LL.D., Fellow of the Institute of Chemistry of Great Britain and Ireland, Professor of Chemistry.

PUTTNER'S EMULSION is sold by all Druggists and General Dealers.
