POPULAR STORY OF THE CHURCH OF ENGLAND

Showing its Birth, its Progress and its Work for the People,
with illustrations.

Price Sixpence, or Bound in Cloth, One Shilling.

The large demand for this "Story" has necessitated the issue of a New Edition. The book has been revised, and the statistics made up to the moment of going to press. In order to make its pages yet more attractive, some excellent views of cathedrals and churches have been added, and those who have not yet done so may be glad to distribute it as an antidote to the anti-church literature which is now being so largely circulated in all parts of the kingdom. In view of the coming attack upon our Church. Nearly all the Bishops have signified their warm approval of the "Story." The late Archbishop Magee commended it in these words:—"It gives in a condensed and popular form one of the best statements of the past history and present work of the Church with which I am acquainted. It seems to me especially suited for distribution amongst our intelligent working classes, who need just such a corrective to the false and misleading statements now so industriously circulated amongst them by the enemies of our Church."

Favorably Reviewed by nearly 100 Newspapers.
