Boycotted Watch!

\$10 WATCH FOR \$5.

On receipt of \$5 we will send by mail, boxed, registered and prepaid, a Solid Coin Silver Hunting Key Wind, 15 jewels, patent Lever Watch, boy's large and medium size.

No watch sold on this continent has given such universal satisfaction as the well-known Jacot Watch. Over thirty thousand of these watches are to-day in use in the Dominion, which have cost the owners \$15 to \$25 each; they have the strength and durability of watches costing five times the price; they have been carried for twenty years past by thousands of men who prefer them to a more bulky watch. The price \$5 is for one or one hundred. We purchased 3,000 of this grade, the largest bill ever bought by any house in the Dominion, and can never be repeated at this price. Order at once, they will not last but a few weeks. Send P. O. address for catalogue.

The Magazine of American History

Is an illustrated historical monthly, founded in 1877, wherein the stirring incidents of the past are treated in a captivating as well as authentic manner. To the public libraries it has become an absolute necessity; colleges and schools in every part of the land are learning its value in the instruction and culture of their pupils.

It is one of the best of household journals, and it has the largest circulation of any magazine of its character in the world. It has grown remarkably prosperous during the past year, and is now prepared to extend its usefulness to every quarter of the country, and to foreign lands. It will continue to offer
