Hon. F. B. McCurdy,
Minister of Public Works,
Ottawa.

Dear Mr. McCurdy:-

Mr. R.R. Osgoode of St. Thomas,
Ont. is desirous of bringing to the notice of
the Government some pictures which he painted
while serving with the Canadian Corps in France.

I have seen one which was a most
faithful portrayal of the scene it was supposed
to represent. I am forwarding herewith certain
letters received by Mr. Osgoode, which all go to
show the high estimation in which his works are
held. They also certify to the fact that he
painted the scenes on the spot.

I hope the Committee which advises
your Department in matters of this kind will give
all consideration to his request.

Ever yours faithfully,

Principal.
