Dear Sir Arthur -

I am delighted that Dr
Collip has been selected for election
to a Fellowship in The R.S., which
election will infallibly take place
on May 4th next.

I congratulate McGill!

He is the friend of my
students - The others F. R. Miller
of here and Davidson Black
of Peking - who were elected last
year - and ^{all of} whom I got
nominated

I am going to absolve
myself from any more
nominations

When in Montreal
