Sir Arthur Currie, LL.D., G.C.M.G., K.C.B.,
Principal, McGill University,
Montreal,
Que.

Dear Sir Arthur:-

The Legislature is now in session and, if you think it advisable to send down a deputation in connection with finances for the School for Teachers, it had better be done at an early date. If the matter were brought to the attention of the Premier by letter, it might not be necessary to go down, but I think the matter in some way or other should be dealt with at as early a date as possible.

Faithfully yours,

J. Charron

Principal.
