May be confidently recommended."—*Spectator*.

"The author of this book knows the City churches one and all, and has studied their monuments and archives with the patient reverence of the true antiquarian, and, armed with the pen instead of the chisel, he has done his best to give permanent record to their claims on the nation as well as on the man in the street."—*Leeds Mercury*.

Human Immortality

By WILLIAM JAMES

Professor of Philosophy at Harvard University.

Fourth Edition. 16mo, 2s. 6d.

"Professor James is well known as one of the most suggestive and original writers, and as certainly the most brilliant psychologist living. Whatever, therefore, he has to say on this subject is worth listening to ; for he thinks freely, and he knows all that the scientist knows, and more too."—*Spectator*.
