JOHN CATTO & SON 55 to 61 King St. E., Toronto

MUST GET MONEY BEFORE GOING ON Board of Education Held Up Building of Technical School.

NEW HIGH SCHOOL SITE Hundred Thousand Dollars Will Be Spent For Suitable Land.

Alex. Fraser and H. W. Maw were spokesmen for a deputation at the Board of Education last night, to urge the erection this year of a new high school. They pointed out that Jarvis Street High School was now so largely attended that classes had to be taught in the assembly room. Chairman Brown of the finance committee expressed sympathy with the object of the deputation. He assured them that the finance committee would expedite any practical proposition, but the site was not in view and it was better to get the \$100,000 appropriation for a site than jeopardize the project by applying also for the \$200,000 for the building this year. The estimate for the \$100,000 site was then adopted by the board. Two members of the London, Eng., Board of Education were introduced.

From a Man Who Knows From the Magdalen Islands, away down among the fogs of the Gulf of St. Lawrence, comes a letter from a man who knows that Dr. Chase's Ointment is not only a relief but also a positive cure for protruding piles. "Too many make the mistake of stopping this treatment when relief is obtained, when by persistence they could be entirely cured, and I have had no return of the ailment. You may publish this statement, so that it may be the means of helping other sufferers." Surgical operations, with all their pain and risk, are unnecessary for Dr. Chase's Ointment is a proven cure for every form of piles.

THE WEATHER OBSERVATORY, TORONTO, Feb. 20. (3 p.m.)—Pressure is highest tonight over Manitoba, while an important area of low pressure is forming in the southwestern States. THE F. W. MATTHEWS CO. FUNERAL DIRECTORS 235 Spadina Avenue. Telephone Collee 791 and 792 MOTOR AMBULANCE SERVICE 192 to the board, Councillors Allen and Collier. Big Expenditures. Trustee McTaggart made a vigorous defence of the big expenditures proposed for the central technical school. While Trustee Brown had pointed out that Winnipeg was getting two large technical schools at \$400,000 each, the times as many pupils as the two Winnipeg schools. Trustee Ellis said that Trustee Brown forgot that Toronto had been growing since an \$800,000 building was first proposed. Trustee Fairbairn considered the tender for \$2,225,000 for a stone building was very moderate, but agreed, as did the rest of the board, that the finance committee were right in asking for their ratification to stand over until the money had been provided by the city council.

Chinese Christian Association. The third anniversary of the Chinese Christian Association will be held at Knox Presbyterian Church, Spadina avenue, on Monday evening, Feb. 24, at 7:30 o'clock.

Rev. Dr. Alex. Gilray of College Street Presbyterian Church will preside.

Harper, Customs Greker, McKinnon Building, 10 Jordan St., Toronto.

For Hamilton Motorists. The Tudhope Motor Company recently moved its Hamilton branch from 280 East King street, to 148 West King street in that city, in order to secure more commodious premises.

YORK COUNTY AND SUBURBS WILL NOT JOIN WITH THE CITY County Council Decided to Keep Registry Office Separate.

NEW HIGH CONSTABLE R. W. Phillips Appointed and Now Holds Two Positions.

After a session of two weeks and three days the council adjourned yesterday, and before adjourning the members endeavored to revise the equalization bylaw as passed on Saturday. The grounds that the assessment of New Toronto has not been deducted from the assessment of the township of Etobicoke and consequently becomes a double assessment. As most of the members left for their homes, it was a most difficult matter to adjust the error, and the New Toronto assessment of \$415,500 will be adjusted in the June session.

A bylaw to raise \$100,000 by way of debentures for the improvement of the highways in the electoral districts of East and West York was passed, the debentures to be spread over a period of thirty years, bearing interest at the rate of five per cent.

The bylaw committee reported that they have insufficient information to recommend a subsidy from the government for the Central Railway. Councillor Syme moved that to the petition to the government a clause be added to amend the assessment act to limit the exemption from taxation of all public institutions to 100 acres. On motion the resolves of the different municipalities being associated with the Good Roads Commission in their respective municipalities.

Councillors Pearson, Pugsley, Skelton and Syme were appointed a committee to revise the assessment of railways in connection with the County of Grey and other counties so as to get these companies on a more equitable basis.

The special committee on the union registry office being requested to affiliate with the city, as this union would cost the county \$8000 a year more than under present system. As the new arrangement would cost the county \$12,000 per annum by being bound by lease for 99 years. A Mac-Murtry & Co., of the County of York, Law Association stated that the suggestion of one-fifth of the cost of the new registry office being asked, but only a suggestion, and the cost may be considerably less, and the present county registry office may soon be condemned as unsafe and unsatisfactory. This special committee was instructed to confer with the City of Toronto as to terms upon which the registry offices could be located in one building, and to report during the June session of the county council.

W. Phillips, county clerk, was appointed high constable for the county at a salary of \$300 per annum. The council adjourned till June 16.

NORTH BRACONDALE. The second meeting of the building committee and trustees of the Lakewood and North Bracendale Association since the inauguration of their campaign was held. Reports of the teams were heard. They evidenced the keen interest being taken in the enterprise. Subscription for shares jumped from \$455 to \$750 and \$119 was added to the fund. A total of cash received \$224. It was decided to arrange for a large concert, providing arrangements were made for a place to hold it, receipts from same to go to the building fund of the association. A sign will be erected on the site, the building purchased on Lakewood avenue.

Ward Seven. The fourth annual banquet of the West Toronto Cricket Club was held last evening in the supper rooms at St. James' Hall, Pacific avenue and Dundas street, under very auspicious circumstances. About 100 guests were present, including many well-known cricketers and their friends. Enoch Ward, J.P., president of the club, presided over the evening. He presided over the evening with much tact and charm. Addresses were given during the evening by Dr. Forbes Capewell, Mayor, Ald. Sam. Ryding, Dr. A. T. MacNamara, W. Edwards and many others, and the speeches were interspersed with musical numbers by J. E. McEwan and others. The annual election of officers was postponed for a month and notice of it will be given later.

With the object of commencing a building fund for a public ward to accommodate patients of the poorer classes in the western part of West Toronto, the Englehardt Hospital on St. John's road are holding a bazaar on Saturday afternoon and evening of this week. A good program, including selections from several well-known ladies of ward seven, and an address by Miss L. E. Englehardt, the superintendent, will be given. Dr. S. W. Clendeman acting as chairman.

The death occurred yesterday morning of Mrs. George Bonny, 67, her home, 175 Maverty street. The funeral takes place Saturday to Aurora Cemetery.

On Friday evening the 21st, Mr. Charles Hudson will give an address on "Single Tax" before the class for the study of social problems in High Park Avenue Methodist Church.

AURORA. Death came very suddenly to Alexander Graham, bailiff of the County of York, on Wednesday. Deceased was at his home, 175 Maverty street, when he was brought to him he dropped dead from heart failure. He resided on Wellington street.

Slange the decision in the West Lorne case was given. It is generally conceded that local option did not carry here. The temperance advocates will appeal to Hon. Mr. Hanna to prevent having the licenses in town granted for this year on the ground that the bylaw was defeated by a technicality. The upholding of the bylaw on a technicality at Willis resulted in the provincial secretary instructing the license commissioners not to grant licenses until a Rev. Griffith Thomas, D.D., addressed Trinity Men's Association on the subject, "What is Prohibition?" Thursday night.

A movement is on foot to furnish Trinity Church with a new organ. The parishioners are responding very liberally to the appeal.

Ex-Councillor Mitchell, who purchased a drug business in Orangeville, has sold it again and will not move there. He is thinking of locating at Trenton.

in the profession of optometry. The eye, he said, was the most delicate of human organs, and it was the duty of the government to protect the public from fakers. In many of the United States there were examinations which were driving the fakers into Canada. Among those in the deputation were President Fannon, J. C. McLean, secretary; Dr. Drake, vice-president; and Drs. Sparatto, W. W. Parker, Keevil, Lalonde, McFadden, Richardson, Seymour and Forsyth.

OPTICIANS WANT TO BE PROTECTED Government Asked to Sancellation of Board of Examiners. A determined appeal for protective legislation for the practise of optometry in Ontario was made to the government yesterday by a deputation from the Optometrical Association of Ontario. The deputation was introduced by E. W. Owens, M.L.A., and was composed mainly of Toronto men. For some time past there has been a fight between the opticians' branch of the Retail Merchants' Association and the Optometrical Association. One of the features of the deputation's conference with the government was an attack upon E. M. Trowern, secretary of the retail merchants, in which he was characterized as a "wirepuller." W. R. Carvell, the legal adviser of the opticians, who acted as spokesman for the delegation, asked the right to establish a course of lectures and a board of examiners, whose examinations should be passed before practice was allowed. Hon. I. B. Lucas and Hon. R. A. Pryn heard the deputation. Mr. Lucas explained that the veterinarians of Ontario had a three-years' course of training, and yet they were not a close corporation. Mr. Carvell replied that mistakes might be made in other professions, but said that was no reason why similar mistakes should be made

ANOTHER POLICEMAN UNDER INDICTMENT Former New York Inspector's Confidential Man Accused of Bribery. NEW YORK, Feb. 20. (Can. Press.)—Another police officer, Sergt. Peter J. Duffy, was indicted today by the extraordinary grand jury that is investigating police graft. Duffy was confidential man and alleged collector for former Police Inspector Sweeney, who also is under indictment. He is charged with bribery. Duffy's indictment was based on evidence that "collections" from disreputable resorts in Sweeney's inspection district amounted to \$250,000 a year. District Attorney Whitman said this afternoon that he expected to receive important information from a woman known as the "Queen of the Vice Trust," a keeper of a syndicate
