NATIONALS MOVED UP TO SECOND PLACE

Beat Torontos in Listless Affair—Ragged Play and Lalonde the Features.

The Nationals practically put themselves up in second place for the rest of the season when they defeated the Torontos at Scarborough Beach on Saturday by the score of 5 to 3. The Nationals on the play deserved to win the game, even a greater margin, but they played ragged in the final moments of the struggle and spoiled their record. It was a loosely played game and neither team put up what you might call real lacrosse. There seemed to be a lack of the life and spirit that is usually seen on the blue shirt field.

The much-advertised Neway Lalonde was stopped suddenly in the first period by a slash across the face from Barry's stick. Nevertheless after a brief rest he returned to the field and displayed such speed that the blue shirts were dejected to watch him had one of the most brilliant dances they have had this year. The versatile and nimble footed Neway has not lost any of his old tricks, and he exhibited some of these on Saturday, much to the chagrin of the Torontos.

After a much delayed start the Nationals started a bombardment of the Torontos goal and in 24th Lamoureux bulged the net for the first tally. Some wild passing graced the field for the next few minutes by both aggregations, but Lalonde did a net circling act and scored again. Neway Lalonde was cut across the face a few minutes later, and he had to retire. The first quarter finished 2 to 0 in favor of the Nationals.

Lalonde returned with the opening of the second quarter and aided in some strategy combination which eventually saw Lachapelle score. Gauthier relieved a strenuous attack on the Frenchmen's net and carried the ball up, passing to Boulaine, who bored in and made it four to nothing. It became a lifeless struggle with heartrending attempts at scoring as the feature, Penny, the Torontos' star, from the N.L.V. furnished the required ginger when he beat L'Heureux on a pass from Kells. It took ten minutes, but the score was 4 to 1 in favor of the Nationals.

Lalonde started a fireworks celebration by doing a ten foot start right into the blue shirt net. He needed only fifty yards to place the rubber. The Nationals continued to buzz around the Torontos net, but Warwick finally broke away and deposited the second goal for the blue shirts. The play became the end of the end and variety and the Frenchmen began to play rag and no more scoring was done in the third quarter.

The fourth quarter was a continuation of the tactics which had been the feature of the end of the period just ended, and the teams were running around haphazard like a flock of sheep. Finally Dandeno intercepted a pass and scored in 16 minutes. The game finished soon afterwards.

Torontos (3): Goal, Holmes; point, Harshaw; cover, Powers; first defence, Barry; second defence, Harrison; third defence, Fitzgerald; centre, Dandeno; third home, Warwick; second home, Longfellow; first home, Barnett; outside, Donhee; inside, Kells.

Nationals (5): Goal, L'Heureux; point, Cattarhach; cover, Duckett; first defence, Decarie; second defence, Lachapelle; third defence, Briault; centre, Degray; third home, Gauthier; second home, Lalonde; first home, Pitt; outside, Lamoureux; inside, Boulaine.

CORNWALL LACROSSE

CORNWALL, Aug. 24.—The Manufacturers' Lacrosse League matches here on Saturday on the C.L.C. grounds provided a sport for the large number of spectators, which easily broke all previous records. The game was extremely fast and the pace being extremely fast and last-minute play was storming. Cottons and Torontos Paper Company. It was an interesting contest all round, and in which the Stormonts were victors by a score of 3 to 2.

The next match was between the Ives Bedstead and McGill Clubs, in which the former won by a score of 2 to 1 after a very hard struggle. The last Canada Cottons was probably the best, the pace being extremely fast and last-minute play was storming. The mill boys, however, got the best of their contenders by a score of 4 to 2.

More than a sudden death effort to decide their group championship. Already they have played a series of home and home games, but finished a tie on the round. This game will be played in Wingham on Wednesday. Ernie Doyle of Newmarket has been asked to referee.

INDIANS' LAST HOPE SWAMPED BY IRISH

Tecumseh's Lost Grueling Struggle at Mascotte Park by Odd Goal.

MONTREAL, Aug. 23.—Irish-Canadians took a stronger hold on the Big Four championship by defeating the Tecumseh here today by the odd goal in nine. From the beginning the winners were the aggressors, and although the Indians equalled the score on more than one occasion, the Irishmen would again draw into the lead. There was no advantage gained by either team until the last quarter, when Cumming's victory by scoring twice in quick succession. The home players of both teams showed weakness in shooting, and many opportunities to score were thrown away.

Penalties were more numerous than in any game played in Montreal this season, no less than eleven players being sent to the back for cross-checking and mixing it up. There were twenty changes made, the majority of them in the third quarter. The slippery Cummings played the ground, along with the closeness of the score, gave the game an appearance of being rougher than it was, although on several occasions players accepted an opportunity to even up old scores, as this was the final meeting of the Irishmen and Indians this season. The line-up:

Irish-Canadians (9)—Brennan, Neville, Cameron, White, Baker, Appell, Munday, Kane, Fred Scott, Cummings, C. George, Roberts.

Tecumseh (4)—Kinsman, Yeamans, McKee, R. Green, Graydon, Graydon, Long, Collins, Carmichael, Querre, McGee, McDougall.

Pudge of play—Jack Marshall.

Changes—First period—McIntyre replaced Cummings. Second period—Fisher for B. Green, Whitehead for Graydon, G. Smith for Rountree, Cummings for P. Scott, J. Green for Yeamans, Graydon for Whitehead. Third period—Rochford for Baker, Yeamans for Whitehead, P. Scott for McIntyre, McIntyre for Roberts, Whitehead for Rountree, P. Scott for McIntyre, Rountree for Rochford, Munday. Fourth period—Green for Querre, Rountree for McDougall, Sumary.

SEMI-FINALS ALMOST OVER IN ALL SERIES

O. A. L. A. Groups Are Eliminating Themselves in Hard Fought Contests.

Almonte furnished the surprise party on Saturday when the Bytown boys came there to play the first game of the home and home series to decide the tie in the grand championship. Ottawa had made the journey in a very confident frame of mind, as only a week ago they had made the same trip in the last scheduled game and beaten their opponents by a score of 4 to 2. Imagine their surprise when the Almonte boys trimmed them to the tune of 8 to 1 and they were left with a very small margin. Ottawa next Saturday, Frank Doyle of Toronto refereed the game.

BUFFALO PURSUIT TEAM BEAT TORONTO

Wilson and Brady Lost First Race of Season by Bad Luck.

At the C.W.A. bicycle races held at the Island Stadium Saturday night, the Toronto pursuit team of Wilson and Brady suffered their first defeat of the season at the hands of the Buffalo team. They set up a fast clip and soon composed of Al Krushel and Joe Scheider. It was rather a disappointing race from the public's standpoint, as Wilson at about the third mile punctured his wheel and had to retire until he got another one. Right from the start the Toronto team set up a fast clip and soon had a comfortable lead on their opponents. They had just started their second sprint, and it looked like another easy victory for the Queen City team when Wilson's tire blew out. During the time he was changing wheels and catching his partner Brady, who had slowed down for him, the Buffalo team had come to the front and had secured a lead of a quarter of a lap. Wilson had tried himself out at Newark. No matter what they did, Krushel and Scheider were in his hands and Krushel let loose a sprint that lasted for over a mile. He finally caught them after four and five-eighths of a lap. Krushel certainly picked out a man for his teammate that was in the pink of condition, for Krushel had been riding all year on the big circuit at Newark.
