MONTREAL, May 11.—There was a fair amount of enquiry from foreign buyers for wheat today, but owing to the sharp advance in prices on this side no business resulted. The demand for oats on spot was better, and bids for several round lots were forwarded in Winnipeg, but sellers were very film in their views and would not shade asking prices. The tone of the spot market was also firmer but there was no actual change in prices. The export trade in flour was quiet and

MORE CHEERFUL

LONDON, May 10.—The stock market was generally more cheerful, the better war news dispersing the depression due to the Lusitania disaster. War loan investment stocks were frequently marked, and rubber and copper shares were in good demand. Kaffirs, however, were dull, due to the temporary exclusion of the German element from the exchange.

In the American section trading was quiet except in Canadian Pacific and Amalgamated issues, which advanced over parity and closed firm a shade under the best. BUFFALO LIVE STOCK. EAST BUFFALO, May 11.-Cattle-Re-EAST BUFFALO, May 11.—Cattle—Receipts, 100; active.

Dominion Bridge Only Active Feature, Made Four Point Advance.

MONTREAL, May 11.—Altho a firmer tone prevalled in the local stock market today, business was the lightest of any day since the reopening, six weeks ago. Less than 900 shares of stock, including mines and unlisted stock, changed hands and only one security. Dominion Bridge was credited with a turnover running into three figures.

Bridge was the strong as well as the active feature of the market, advancing
