

BUYERS SATISFIED WITH SMALL LOTS

Butchers' Cattle Trade Barely
Active With Values
About Steady.

GENERAL QUALITY FAIR

Unseasonable Weather and
Other Contingencies Have
Had Material Effect.

The receipts at the Union Stock Yards on Wednesday numbered 109 cars, including 764 cattle, 284 calves, 1038 hogs, 2297 sheep and lambs and 798 hogs. Butchers' cattle: Trading was barely active, with values holding about steady with Tuesday. The general quality was fair. The unseasonable weather, general retrenching of consumers and the prevailing common quality of cattle has brought this market to its present level. The demand seems not so great as formerly, buyers being satisfied with smaller lots. Bulls, with some buying on order yesterday, were a little stronger. Cows were steady and common eastern butchers had a weak tendency. The market was fairly well cleaned out. Stockers and feeders: On the whole this class are slow trading, only the best animals with good prospects showing activity. Several good to choice loads of feeders were shipped out to Michigan, U.S.A., some American buyers being present. Prices are generally easy with 60c off for common eastern stockers, which were in the majority yesterday and not wanted. Milkers and springers: Outside buyers and orders still keep this an active and strong market. Fancy bids are made for choice milkers, one Durham cow going yesterday at \$120. Sheep, lambs and calves: Sheep have fallen off to a degree and are now easy. Light sheep in bulk are quoted from \$5 to \$6. Lambs yesterday, with a fairly heavy run, revealed a steady market with \$8.50 for tops. Then general quality was not so good, many heavy lambs being noticed. The most of the calves were killed direct thru this market and were very common. Choice veal is steady. Some lambs were unloaded at the close. Hogs: The shipments of hogs continue to be away lighter than last year at

the corresponding time. Prices are firm, with a strong tendency.
