MAGNETAWAN DIVISION.

The combined paddle and screw steamer "Wenonah," and steamer "Wanita," daily, except Sunday, at 7:00 a.m., in connection with the G. T. Ry. at Burk's Falls for Ceccebe, Magnetawan Village, Port Anson and Almnic Harbor.

The Muskoka Region, with its many hundreds of lakes and streams, is undoubtedly the best place on the continent for fishing, shooting or camping. The fishing, consisting of brook and salmon trout, black bass, maskinonge and pickerel, is unequalled; parti'edge (ruffed grouse) abound, and deer are plentiful. As a health resort it cannot be surpassed. These lakes are among the highest on the continent, being about 500 feet above Lake Ontario, 150 feet above Lake Huron and 138 feet above Lake Superior. There can be no hay fever in so pure an atmosphere. A glance at our map will show how easy of access they are, and the fine equipment of the Grand Trunk Railway and the Muskoka Steamers ensures comfort in the highest degree. Hotel accommodation is to be had at any of the ports of call at from \$1.00 to \$2.50 per day, but camping parties can live for a great deal less.

HARDY'S LAKE TROUT PRESERVE.

We are glad to announce that an additional attraction has been added to the popular fishing and hunting district of Muskoka. Although this favorite resort holds second place to none so far as bass, maskinonge, pickerel, etc., etc., are concerned, yet we are inclined to admit that speckled trout fishing is not as good as it was a few years ago, where the streams are of easy access; consequently, anglers seeking sport amongst the speckled beauties have to go further back to seek the capture of their heart's desire.

The attraction we refer to above is Hardy's Lake, a large and beautiful spring water lake in the township of Wood, Muskoka, which has been purchased by D. Smith, Esq. (cf Rolph, Smith & Co.) Toronto, and stocked with nine months old speckled trout, from the preserves of Chas. Wilmot, Esq., Credit Forks, Ont.

The lake is centrally located and easy of access by portage from the East Bay of Lake Muskoka, and also by road from Bala, Torrance and Bala Park Bays.
