The largest collection to be found anywhere in Canada. Being the largest buyers we derive the benefit of the manufacturers' very lowest pricesmuch lower than those who buy in smaller quantities. When we sell we are satisfied with a much smaller margin of profit than what is usually taken. As a result our prices are way below those asked for the same goods outside this store. Look around and see

for yourself. Our Leghorn Hats are soft finish, and being a natural bleach, the color is a rich amber. To-morrow morning we shall be ready with a new ship- affords an endless amount of by reason of the cables which unite the ment including:

### Rescue for Weak Men

We invite weak men to give our remedies and appliances a fair trial. We ask to be judged solely by what we do, not by what oth-

ers have failed to do. We have supreme confidence in our treatment. We know it has ands of men who were sexnally weak. who had lost all ambition. whose lives had been miserable on ac-

count of past abuses and indiscretions, overwork, etc. We want the confidence of all weak/men. Our business is honorable.

### Free Trial

We will send our medicines and appliances for a ten-days' trial to any sufferer who will promise to give them a fair test. No money is to be paid unless our treatment is found to be just what we claim for it. If no relief is found, send the outfit back to us, and that will end the matter. We want no pay in cases which we cannot cure. Write us freely and confidentially. Our advice is valuable. If you have never seen our famous book, "Complete Manhood," send for a free copy. Dr. Ward's Blood and Nerve Pills have been a great boon to my daughter Maggie. Prior to taking them she had Maggie. Prior to taking them she had been suffering from excessive nervousness for a long time, and her nerves were in a terribly shattered condition. The action of her heart was so weak that it did not have strength to perform its functions, causing violent palpitation and smothering after retiring. Frequently, on account of this suffocating sensation she was afraid to go to bed. Slight exertion exhausted her and caused shorttion she was afraid to go to bed. Slight exertion exhausted her and caused shortness of breath. Her blood was impover-ished and lost vitality, and she had no appetite. She was wasting away and was very hypochondriacal, feeling dejected all the time. Last December she began taking Dr. Ward's Blood and Nervé Pills, and she improved at once. Her blood became healthy and strong, and in six weeks her impaired nervous

### WATER AND WORK THAT CLEANS

It's hardly possible to expect that the doubtful water that comes to the people of Toronto at times will clean clothes clean them properly. Often it contains ingredients that give a coloring to the articles washed. Every ounce of water we use in this laundry is filtered—one explanation of the purity of the work done here.
