

We again went to Sherringham Park for our annual picnic, which was held on June 27th and was highly successful, there being a large attendance of children, their parents and friends, and having fine weather a very pleasant day was spent by all.

Our Library, which contains many good and instructive books, continues to be well patronized by the scholars.

We continue the distribution of the following papers regularly: The Band of Hope Review, British Workman, British Workwoman, Children's Friend, Children's Record, besides numerous Tracts.

Prizes are given for the correct repetition of the Shorter Catechism and Golden Texts, and we would here urge upon more of the scholars to study and commit to memory these two branches of our work. Not only for the value of the prizes, but for the inestimable good for future life, of such a store of knowledge.

Prizes are also given to those who do missionary work, in bringing in new scholars.

The Lady Teachers have met every Tuesday since October 3rd as a Dorcas Society, and useful articles of clothing, shoes, etc., are distributed to such as require assistance.

The Band of Hope resumed its meetings on October 13th and are held every fortnight. A good programme and temperance address is given at each meeting. Quite a number have signed the pledge, and we hope much good will result therefrom. The meetings are not for the children only, but are open to all, and we here extend a hearty invitations to friends interested in the work to attend.
