Flatulence

When every bite you eat seems to turn to gas and your stomach and intestines cause you endless discomfort, it is an unfailing sign that your entire system needs a thorough housecleaning.

Nature's Remedy
NR-TABLETS-NR

cures flatulence by eliminating the cause of the disturbance—inactive liver. Take an NR tablet to-night and you'll feel better in the morning.

**ALBERT COUNTY
CONSTABLE CHARGED
WITH PERJURY**

Hopewell Hill, March 19.—With the machinery of the police court working overtime last night, the hearing in the Hylop perjury case only reached mid-distance on its course, when court adjourned to meet one week from yesterday. The proceedings were carried on till nearly 2 o'clock in the morning, the prosecution having about all their evidence in by that hour.

The defendant, Constable Hylop, who is charged with making a false statement in his affidavit of the service of a summons on one David Turner, of Stonetown, will have his defence presented at the next sitting of the court.

Mr. Hylop in his affidavit stated that he left the summons referred to at what he believed to be the last place of abode, which is the point in question.

Turner claims that he did not reside where the constable left the summons and that the constable knew it. As a matter of fact, Turner says he did not get the summons.

W. B. Jones, of Sussex, was present yesterday for the prosecution, C. W. Stuart appearing for Hylop.

Wm. Sears, an old and well known resident of Lower Hillsboro, met with a severe accident yesterday, having one of his legs broken near the thigh besides sustaining other injuries. Mr. Sears was in the act of moving a sledload of wood by hand on a hillside near his home when the heavy load started down the hill, running on him and crushing him to the ground. Mr. Sears is about seventy years of age and it is feared his injuries may prove very serious.

His Flesh Horribly Burnt

His drugist sold him a cheap acid corn cure; what he should have bought was Putnam's Corn Extractor; it's purely vegetable and acts in 24 hours. Insist on only "Putnam's."

NO CHANCE

Judge—Go out and arrest that man for speeding.
Constable—But, his car has broken down, and he's trying to fix it.
Judge—Then go out and arrest him for obstructing the highway.

MONCTON NEWS

Bank of Montreal Box in Moncton Post Office Robbed By Boys—William Green Wanted for Attempted Murder

Moncton, N. B., March 19.—The Bank of Montreal box in the local post office was robbed of its contents this morning by parties not yet definitely known, although the police have a clue to the perpetrators.

When the messenger went to the post office after the arrival of the Maritime express this morning he found the box open and empty. Investigation was at once instituted and "traces" of the theft were soon discovered in the form of open letters scattered about the lower end of Main street and on King street, east of the post office. Bank clerks were busy for the next hour or so gathering up envelopes, etc., blowing about the streets.

It was apparent the theft was committed by a juvenile and novice as the mail was carried but a short distance from the post office before being opened. It was also evident the mail had been taken by some one ignorant of the value of the contents of letters. An I. C. C. check was found on the street, having been discarded as no value; a post office order for about \$25 is among the documents known to be missing, but so far as could be learned there was little or no convertible paper in the mail.

Later in the day a small boy, not more than ten years of age, tried to pass postage stamps, suspected of being taken from the mail. The stamps were secured by the post office officials and the name of the lad is known, and the authorities are following up this clue. Whether the small boy was alone in the robbery is a question not yet determined. It appears the post office box was open at the time it was robbed, making the work of the thief quite easy.

Application for examination for entrance to the Royal Military College, Kingston, must reach Ottawa not later than April 15th.

SCRAPING THE STOMACH

Dangerous and Painful Operation Avoided by Taking "Fruit-a-tives."

Guelph, Ont., Aug. 6, 1908.

I suffered for many months with dreadful Stomach Trouble, with vomiting and constant pain, and I could retain practically nothing.

My doctor stated that I must go to the hospital and undergo an operation of scraping the stomach and be fed by the bowels for weeks. All the medicine the doctor gave me I vomited at once. I was dreadfully alarmed, but I dreaded an operation and had refused.

I had heard of "Fruit-a-tives" and the great success they were having in all Stomach Troubles, and I decided to try them. To my surprise, the "Fruit-a-tives" not only remained on the stomach, but they also checked the vomiting. I immediately began to improve, and in three days the pain was easier and I was decidedly better. I continued to take "Fruit-a-tives" and they completely cured me.

Mrs. Austin Hainstock.

"Fruit-a-tives" are 50¢ a box, 6 boxes for \$2.50, trial box 25¢. At dealers or from Fruit-a-tives Limited, Ottawa.

Sydney Hockey Team Defeats Victorias—Change in Opening of Lobster Season

Charlottetown, P. E. I., March 19.—(Special).—Tonight Sydney defeated the Victorias 7 to 4 in the second and last hockey game with the islanders. The effective forward work of Mosely, Barclay and Richmond featured the play, which was rougher than last night, three visitors receiving nasty cuts, but none were serious. Byron Brown refereed. Owing to a disagreement this winter between the Abbies and Vics the supporters of the former loudly cheered the Sydney's. The team left for home tonight.

The provincial legislature, after a long debate, passed a resolution asking that the opening of the lobster season be changed from April 20th to April 28th. This was adopted as a compromise between one section, desiring no change and another asking for May 1st. The resolution was wired yesterday to the island Liberal members. Today came a reply that the federal government had granted the request.

The budget debate is finished, and the house is now in supply. The bill prohibiting the local and outside agents from soliciting orders for liquor within the province under a \$500 penalty passed today unanimously.

BARK LADYSWITH HAS BEEN FLOATED

New London, Conn., March 19.—The British bark Ladyswith, which went on shore off Fisher's Island March 10, was hauled off tonight by tugs and towed to this port. The bark is not damaged to any great extent and will be immediately repaired. She was bound from St. John for New York.

Ottawa, March 19.—S. D. Scott left Ottawa today to become editor of the new Conservative paper in St. John.
