

HOSPITAL DAY AND MOTHERS' DAY IN THE CHURCHES

"Mothers' Day" and "Hospital Day" were both honored in the services in the city churches yesterday. Flowers were worn conspicuously in honor of mothers, a colored flower as a tribute to a living mother and a white flower in memory of a mother no longer living. The clergymen drew the attention of their congregations to the work of hospitals in general and of the St. John Public Hospital in particular, urging a better appreciation of the service rendered by the hospital and a wholehearted support of its efforts.

Rev. J. Heaney, of the Carleton Methodist church, preaching on hospital day yesterday, said: "Among the institutions whose object is the relief of suffering there is none more useful than the hospital as it exists and is being developed in these days. We think of our own General Public Hospital, and we are glad to know that it is making rapid strides in the direction of a perfect institution of its kind. It merits the generous and hearty support of all our citizens and we should co-operate with the commissioners in making its service as efficient and helpful as possible. I heartily approve and gladly support the movement which looks towards extending knowledge and deepening interest in our hospital." The music at the morning service in the church was furnished by a choir from the Sunday school and two anthems were well sung. At the evening service there was a male choir of thirty-five voices and solos were sung by F. J. Punter and Albert Punter, and the choir sang an appropriate anthem.

RESPECT AND ALLEGIANCE

Firestone Tire performance has won the respect of the tire buyer and the allegiance of the tire dealer this year as never before. To give quality at too high a price, or to slight quality for the sake of price would not meet the need for lower transportation costs here in the Dominion. Most Miles per Dollar is now the paramount need of the tire buyer.

The answer to this need is found in Firestone mileage—greater than ever in the past—which now sells at the lowest price on record.

Ask anyone about the service they are getting from Firestone. Cords or Fabrics—and check Firestone prices. The inevitable conclusion as shown by the practical test of value is "Buy Firestones."

ODD FELLOWS AT ANNUAL SERVICE

The one hundred and third anniversary of the founding of the I. O. O. F. on this continent was fittingly commemorated at a service yesterday afternoon in the Central Baptist Church with nearly 800 members of the four city lodges and the two Rebekah lodges participating.

Rev. F. H. Bone, a member of the order, conducted the service and preached an inspiring sermon on Friendship. He prefaced his remarks by a brief survey of the history of the order, saying that on April 27, 1819, the order was established on this side of the Atlantic by an Englishman, one Thomas Wilby. Today, the order is, numerically, the largest fraternal society in the world, totalling 2,760,000 members. Its branches extend to all parts of the world and in the Maritime Provinces, its strength is estimated at 15,000. He spoke with pride of the proposed home for aged and indigent Odd Fellows, soon to be constructed in this domain. Already \$70,000 has been subscribed to this fund.

Turning to his subject, Rev. Mr. Bone made a strong appeal for a deepening of the bonds of friendship in all walks of life. "Friendship," he said, "is the sweetest flower that grows. It is the balm for healing the wounds of the human heart and on friendship must the future peace and happiness of the world be built."

Friendship was the only basis for mutual understanding between the races and peoples of mankind. "Not across paper," he said. "Not treaties. Just friendship," he said. It was the basis for success in the realm of trade and industry. Only by this friendship could normal business relations and conditions again be established. On friendship rested the happiness in the homes and in all larger spheres. Concluding, he urged all
