Bonus on Codfish

From the Address of President Coaker delivered at the F. P. U. Convention recently, he placed himself on record as favoring the "payment of a State Bonus on Number One Shore and Labrador fish. His idea, as stated in his address, is that the bonus should cover a period of five years and should be, at least 60c for No. 1 Shore and 40c for No. 1 Labrador, payable direct to the fishermen by the State."

Other matters of interest to the country were dealt with in the Address.

Mr. and Mrs. E. Payne went to St. John's, by Thursday morning's train.

Mr. Gerald Hurst, who spent his holidays here, returned to Canis, N. S., on Tuesday morning last.

Mrs. W. C. Whiteway, who has been visiting Mrs. T. W. Crossman, St. John's, returned home on Tuesday last.

Mr. Ray Cave, who has been in Everett, Mass., for some time, returned last week. Ray is looking well and all his old friends are glad to welcome him home once more.

We wish to correct a statement which we made in our last issue. In the death notice of the late Benjamin North, we stated that "interment was made in the C. of E. Cemetery." This should have read, "interment was made in the Methodist Cemetery."

Mr. Robert Mercer and son, Robert arrived from Grand Falls, recently, after an absence of eleven years. Mr. Mercer was glad to get back to his old home and renew acquaintances with old friends. We learn that he is starting a business in the "paper town" where he will continue to reside.

Miss Winnie Whiteway, left Harbor Grace Thursday morning en route to St. John's, where she takes the S. S. Digby for Boston, Mass. On Wednesday night a number of her friends gave a Farewell Party in her honor. At the close of the function, a presentation was made to her, accompanied by a very beautiful and touching address, in which they assured her that their kindest wishes would follow her to her new home in the land of the "Stars and Stripes."

MAN KILLED AT CORNER BROOK

The first accident of a very serious nature in connection with the development works at Corner Brook occurred on Friday morning when Vincent Gabriel, belonging to Stephenville had his head so badly crushed by a steel column that he died a few hours later. The man was a widower, 38 years of age, no children. The remains were taken to his old home for interment.

I. O. F. SOUVENIR

We have received from the Independent Order of Foresters, Toronto, a beautiful Historical Souvenir of the Order's Golden Jubilee, for which we thank them. It is a book of 32 pages with purple covers. Photographs of the founder of the organization, Col. Caldwell, and the builder, Dr. Oronhyatoha (whom the Editor of this journal knew while a resident of Toronto) is found on page 3. An early Court Charter is shown on page 5, and a photograph of the magnificent Temple Building in Toronto is shown on page 6. Numerous other photographs adorn its pages.

OKLAHOMA'S NEW GOVERNOR.

Mr. Martin E. Papp, has succeeded to the Governorship of Oklahoma in place of J. C. Walton, former governor, who has been impeached by the State Senate.

NOTE OF THANKS.

Mr. Thomas Bowering wishes to thank the many kind friends who sympathized with him at the time of the death of his dear son, Victor, and those who sent wreaths to adorn the casket. Also the many who visited him while in Belmont Sanatorium, Cambridge, Mass.

The Building Committee of the new Methodist School, Bereened, gratefully acknowledges the sum of \$93.00 from Mrs. Abram Batten, proceeds of a Garden Party held at Bereened on Aug. 20th.

Mrs. William Parsons, of Bay Roberts, wishes to thank the Matron, Sisters and Nurses of St. Clair's Hospital, St. John's, for their kind attention and medical treatment received while a patient at that institution. No words of praise can express appreciation of the care on the part of the nurses and the home like comforts afforded at the institution. Also to Dr. Roberts, whose unfailing attention was all that one could desire.

GIRL GUIDE NOTES

In the campaign on Nov. 10th, in aid of the G. W. V. A. Fund for distressed ex-service men, the amount raised by the Girl Guides was \$64.00.

Two new Companies have been formed up recently, in order that the work may be accomplished more thoroughly. The companies are in charge of two lieutenants, Misses Carrie Dawe and Emmie Morgan and Gertrude McLeod and Clarice Wells.

We understand that Miss Bertha Hull, A.A., has resigned her position as head teacher of the Methodist Superior School here. She leaves for Grand Falls at the end of the year, where she will take charge of a department in the public school. Miss Hull proved herself to be a very efficient and painstaking teacher since she came to Bay Roberts some years ago, and her going will be a distinct loss to this town, for she was active in every good work. As organist of Central Meth. Church, she filled that position with credit to herself and with much acceptance to the congregation. The Guardian wishes Miss Hull much success in her new sphere of labor.

FIRE AT CORNER BROOK

A small mill was burnt at the townsite at Corner Brook in the early hours of last Saturday morning. The watchman had left only a few minutes to attend other duties when the place was discovered on fire. Large numbers of men soon gathered and set to work to fight the flames. Two tractors recently purchased were stored there. These were saved but not before one of them had been somewhat damaged.

FATAL ACCIDENT AT DOCK

Michael Bulger, of Flatrock, was killed almost instantly at the Dry Dock, St. John's, at 10.30 on Wednesday night, Nov. 21st, where he was engaged discharging machinery for the Armstrong Whitworth Co. from the Canadian Navigator.

An engine had been landed on a flat car and blocked up for transshipment and Bulger was on the wharf unfastening the heavy slings when one of them slipped and hit him severely in the stomach. He was picked up and brought to the shed where he passed away ten minutes later.

The deceased was about 30 years of age and unmarried, and leaves a father, mother, one brother and two sisters. The remains were sent to Flatrock where interment took place.

A Flour that's at the Head of the procession of Bread Makers is Cracker Jack

It has a natural and earned right to take such high rank, because the Wheat from which it is made, the skill, care and cleanliness used in its manufacture, prove our claim that Cracker Jack Flour is the best made.

INSULIN

We learn that this world famous discovery has for some months past been available for the relief of sufferers in Newfoundland. Arrangements were made with the Connaught Laboratory at Toronto by the General Hospital authorities for a supply of the preparation and several cases have been treated. Some have been cured, others improved, while in other cases but little improvement has been noticed. From the nature of the preparation it is necessary that this treatment generally speaking can only be administered at such an institution as the Hospital, and in availing of the means to deal with diabetes cases the authorities acted with commendable promptness.—Telegram

Mr. Stephen Kearley, who has been working in Boston, Mass., arrived home recently.

PUBLIC NOTICE

The attention of the public is called to the following provisions of Section 44, Chapter 129, Consolidated Statutes (Third Series):
