

AFTERNOON SITTING.

The Council was called to order at half-past two p. m. All the members present except Drs. PATTULLO, MCGILL, LAVELL, SULLIVAN and BOVELL.

Moved by DR. GRANT, seconded by DR. RICHARDSON,—

That, as the medical men of Upper Canada are obliged to attend criminal Courts without remuneration, prompt action should be taken to place them on a footing of equality with those of Lower Canada, in this respect; and in order to accomplish so desirable an object, the PRESIDENT, Drs. DICKSON, CLARKE and DEWAR are hereby appointed a special committee to bring this matter under the attention of the Government next session.—Carried.

Drs. PATTULLO, MCGILL, LAVELL and SULLIVAN came in at this stage.

Moved by DR. CLARKE, seconded by DR. DEWAR,—

That the amendments to the Medical Act of Upper Canada, passed in the last session of the Legislature, were contrary to the expressed wishes and opinions of this Council; and, though their operation may have been beneficial to one or two Schools, and a very few Students, its ultimate effects will prove most disastrous to the best interests of the profession.—Carried.

It was then moved that the Council adjourn till 7 o'clock. And, in amendment, that the Council adjourn till 10 o'clock to-morrow morning.

The amendment was carried and the original motion lost.

The Council then adjourned till ten o'clock next morning.
