

YOUTH AND AGE.

A fair maid sat by the window-sill,
And smiled as the night came down.

An old maid sat by her window sill;
And prayed as the night came down.

A FASCINATING STUDY.

It is said that Charles Reade, the novelist,
was led to study the Old Testament by the following remark of the great critic Matthew Arnold:

"The old Bible is getting to be to us literary men of England, a sealed book. We may think we know it; but we really know very little of it.

Mr. Reade did so. He entered upon the task with such zeal as characterized his other work. The result was, he not only became astonished at his discoveries, but the study led to his conversion.

BUSINESS HONOR.

"I chanced to be walking down Liberty street, in New York, says an artist whom the Detroit Free Press quotes, 'during that hard storm we had a few weeks ago.

"Not at you my boy," I hastened to explain and then to put myself right, I said, 'Here's half a dollar to start you in business again.

"This was not the last I saw of him. As I was hurrying to reach the ferry, I heard the patter of feet. He overtook me and asked breathlessly, 'Say, mister, do you go by dis way every night?'

"No, I said. 'I don't live in New York Why?'

"'Cause,' he explained, 'I want ter give you a paper every sight till I square myself wid yuh.'

"Now is there a man," continued the artist, "who wouldn't like to help a boy of that sort, or who doesn't believe that with half a show he would develop into an honorable and successful business man?"

DON'T WAIT.

Do you recall the loss of the vessel called the "Central American?" She was in a bad state, had sprung a leak and was going down, and she therefore hoisted a signal of distress.

We Offer \$1,000

For a Disease Germ That Liquozone Can't Kill.

On every bottle of Liquozone we offer \$1,000 for a disease germ that it cannot kill. We do this to assure you that Liquozone does kill germs.

Liquozone goes into the stomach, into the bowels and into the blood, to go wherever the blood goes. No germ can escape it and none can resist it.

Germ Diseases.

These are the known germ diseases. All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indirect and uncertain.

Acts Like Oxygen.

Liquozone is not made by compounding drugs, nor is there any alcohol in it. Its virtues are derived solely from gas—largely oxygen gas—by a process requiring immense apparatus and 14 days' time.

The result is a liquid that does what oxygen does. It is a nerve food and blood food—the most helpful thing in the world to you.

no sound was heard, she and all on board had gone down to the fathomless abyss. O, unconverted friends, for your soul's sake, do not say "Lie by till morning" To-day, even to-day, hear ye the voice of God.

TRUST.

The clouds hang heavy 'round my way, I cannot see, But through the darkness I believe God leadeth me.

Every day that dawns brings something to do which can never be done as well again. We should therefore try to do it ungrudgingly and cheerfully.

Obey Jesus with cordial loyalty and you will understand Jesus. Not by studying him, but by doing his will, shall you learn how divine he is.
