Leo Smith, of the 1st S. A. continger has received a grant from the Canadian Patriotic Fund Association of \$2,000. Pte. Smith lost both limbs in South Africa.

The rooms of the Christian Science congregation, in Odd Fellows' Hall, Union street, have been much improved in appearance, also new furniture added. Rumor has it that some Charlottetown

Conservatives contemplate inviting Hon.
George E. Foster to become a candidate at the coming by-election in West Queens.
—Charlottetown Guardian.

Chamberlain Sandal has paid out to ine sum of \$6,163.35, the wages for the past fortnight. Of this street employes got \$3,169.59 and the others \$2,995.76.

The annual meeting of the Local Union of Christian Endeavor will be held on June 13 in the Leinster street Baptist church. It is expected Rev. G. O. Gates

Contractor Tilley, who is removing the old chimney at Jewett's mill, Millidge-ville, has decided the structure is strong enough to allow of its being taken down brick by brick. The work will commence

It is probable that the 62nd Fusiliers will not commence the season's drill until August 1. Previously the drill has com-August 1. Previously the drill has com-menced in the spring. The change is pro-losed so that the inspection time will arrive when the vice regal visitors will be in St. John.

Census Commissioner Burton said last Census Commissioner Burton said last might that the work of enumeration would be concluded in St. John on Friday. In a few days then the work of revision will be completed. The commissioner asks any persons who have been accidentally missed in the enumeration to send him a postal card.

II. J. Logan, M. P. for Cumberland Co., has written to the St. John Board of Trade respecting the proposed amendment to the preferential tariff on British products. After writing of the inability to get such a large question before the session of parliament just closed, Mr. Logan says he will endeavor to have the matter revived at the next session.

Most of the men employed by the Maritime Sulphite Fibre Co., have gone on strike. It is said, that the company keeps two weeks' pay back from the men; in other words a man who starts work has to wait four weeks before he gets any noney. The men object to this, some of them claiming that they can't afford to wait so long for their hard earned wage. The mill is closed.—Chatham Commercial.

A large number of the South African contingent men are going to Hampton this afternoon to attend the patriotic con-cert. The entertainment has for its object the raising of funds to erect a monu ment to the memory of the late Patrick McCreary, who was killed at Paardeberg It is expected that the county council, o Kings, will make a substantial grant to wards the erection of the monument.

. J. Boss of New London, Conn., arrived in the city yesterday, and is a guest the Royal Hotel.

The Royal Ho to enquiry, that the factory was sold a week ago to Messrs. T. Rankine & Sons. have not availed themselves of the factory was sold. There is now prospect of the fa tory resuming operations.

Col. Hewitson's Death Again Subject of Inquiry.

Fredericton, N. B., May 28.—(Special)—
The inquiry ordered by the attorney general into the death of Col. John Hewitson of Doak Settlement was begun this morning before Coroner Seery. George W. Allen, K. C., represented the crown. The jury empaneled were: Wm. Lemont, foreman; L. A. W. Jewett, John Hodge, Harry Beckwith, John McCarthy, John Owens, Fred Quartermain.

Owens, Fred Quartermain.
Coroner Seery stated that at the present stage, at least, he did not deem it advisible to have the body exhumed and viewed as it had been carefully examined previous to the last inquest and no marks of violence had been found.

Mrs. Hewitson, widow of the deceased,

The annual meeting of the stockholders of the St. John Street Railway Company will be held on Wednesday, June 12th. Among other matters to be brought up before the meeting will be the advisability of extending the line of railway from was called. She said her husband had let home during the forenoon of Thursthe city to the Suspension bridge, via Douglas avenue and Millidgeville. These extensions of the line would prove conday, April 25th, to go to Fredericton on business. He intended to remain until venient to many persons and the outcome of the meeting, at least on these points, will be awaited with interest. midnight Saturday, when he was brought into the house dead. His face and hands were cold but the body quite warm. She found about \$15 and a few old receipts, but none of recent date. He was not in the habit of going to Newton Lee's place. Newton Lee was next called, but he was too drunk to tell a coherent story. He was dismissed, to be recalled on Friday. He gave evidence today that he was a carpenter. He also sells rum as a business. Hewitson came to his place on Thursday, April 25th, in the forenoon. He was drunk. He wanted more liquor and witness gave him four or five drinks. The Rev. J. deW. Cowie, missioner of the diocese, delivered a lecture illustrated by lantern views, at St. John's church school house last evening, the rector presiding. A very graphic account of the work in the county parishes was furnished and the views of churches and scenery emphasized the lecturer's assurance that our people should take their holidays in their own province. At the conclusion of the lecture a hearty vote of thanks was carried, on the motion of Mr. Sadlier, seconded by Mr. Jarvis. and witness gave him four or five drinks. He was there for three or four hours. The case of McLean vs. O'Regan will be heard in the county court before Judge Forbes on Wednesday next at 10 o'clock

He was there for three or four hours.

Cscar Peters was then called and said he was in Lee's place on Saturday afternoon, April 27th, at 1 o'clock. A man named McIntyre was with him. He saw a man lying on a table or box in a room back of the bar room. There was no fire in the place and it was cold. The man was groaning. He saw no other persons there except the man spoken of and Lee and John Johnson.

The inquiry was then adjourned until The following have been registered to solemnize marriage: Rev. Samuel V. Williams, of St. John, and Rev. Adams D. Archibald, of Clifton, Gloucester county. The inquiry was then adjourned until Friday next at 10 a.m.

CARLETON COUNTY.

The high school will graduate the largest class in its history in June. Principal Sutherland and staff have the hearty support of the community in their faithfulness and enterprise.

The town looks ideal just now. The tree lined streets are as clean as they can be The annual meeting of those interested in the Old Ladies' Home was held yesterday. The following officers were chosen. J. M. Robinson, president; H. L. Sturdee secretary-treasurer. The directors are H. A. Drury, Dr. D. E. Berryman, W. S. Fisher, J. K. Tavlor, Mrs. A. H. Hannington, Mrs. John Burpee, Mrs. J. De Wolfe Spurr, Mrs. Robert Thomson, Mrs. Jas. L. Dunn, Mrs. L. Harrison, Mis. J. M. Robinson, Mrs. H. L. Sturdee, Mrs. H. A. Austin and Mrs. A. L. Palmer. Work has been commenced on an addition to the Home which will give accommodation for six more persons.

Sutherland and staff have the hearty support of the community in their faithfulness and enterprise.

The town looks ideal just now. The tree lined streets are as clean as they can be made. Stones, leaves, etc., have all been raked off. The leaves are at their best. Mrs. T. Williams is having a commodition eligible of the Mrs. A. L. Palmer. Work has been commenced on an addition to the Home which will give accommodation for six more persons.

afternoon. Boring for oil is still being pro-

here about. Pasturage is very poor. Councillor McKenzie, who has been il church last evening a pleasing and successful concert was given by the Y. M.

A. The pastor, Rev. G. A. Waring, presided. There was an opening selection by the association's orchestra followed by a young ladies' drill. Boys from Mr. Whiteleep were larger as a larger selection by the association's orchestra followed by a lowest price for some time. all winter, is recovering very slowly.

Hay is now \$15 per ton. There will be ter retails for 20 cents, eggs for 13; the ney's Mission rendered choruses, also a solo was sung by one of the number. Read-ings were given by Miss Tufts and Miss Wetmore and a banjo solo was played by Boring for Oil at Memramcook.

Other selections were played by the or-chestra and the pleasant evening closed by a young ladies' march and the singing of the national anthem. grounds in the hollow of a ravine just at the rear of the college building * The offer which we have grounds in the nonow of a ravage just at the rear of the college buildings. To the left of the road leading from the college park the company bored to the depth of about 1,100 feet and struck oil sands and found some oil. The boring apparatus has since been moved about 100 yards or been making in connection with the census guessing competition for new subscribers more up the ravine, and it is proposed to use explosions when the sands are reached

So Andrew Black Pleaded Tuesday

THREE TIMES GUILTY.

in Examination at Sussex.

The examination of Andrew Black, charged with stealing, was brought on vesterday morning at the Sussex court, before Stipendiary Magistrate Morrison. This case, which interests a large number the court opened at 10 o'clock. Mr.
LeB. Tweedie appeared for the crown,
with Detective Ring in attendance, and
Mr. George Fowler appeared for the

Mr. George Fowler appeared for the prisoner, Black.

The prisoner was up on three charges, which were taken up separately. The first charge was that of setaling on the night of March 8, 10 bushels of barley and 14 bushels of buckwheat, from Andrew Forsyth's premises on the Shepody road. The witnesses in this case were William Brown, William Brown, ir, Andrew Forsyth, Smith Johnson and James McDonald. The first named is also a prisoner, having pleaded guilty to incendiarism, burning a barn at Hammond. After the reading over of the evidence the prisoner (Black) pleaded guilty and was committed for trial.

The second charge against him was that,

william Brown, one of the witnesses, was on Monday sent up for trial for setting fire to a building. The cases, both of theft and of incendiarism, have been interesting to the residents of Sussex and vicinity. The work of Detective Ring in the case has been greatly appreciated.

WOODSTOCK BOARD OF TRADE Receives Offer for Band Concerts--Delegates to Maritime Board.

Woodstock, N. B., May 28.—The board of trade had a meeting last night with the president, A. D. Holyoke, in the chair. It was reported by the secretary that the It was reported by the secretary that the management of the steamer Aberdeen would be unable to comply with the wishes of the board that the steamer leave Woodstock at a later hour than at present. The Cornet Band reported to the board that it would give concerts during the summer evenings for \$5 each concert. Prompt action will be taken in the matter.

A letter from the maritime board of rade was read, requesting the election of delegates to the convention to be held in Chatham during August. Delegates elected were: A. D. Holyoke, H. P. Baird, I. ed were: A. D. Holyoke, H. P. Baird, I. E. Sheasgreen; substitutes, T. C. L. Ketchum, Chas. Appleby. At a subsequent meeting of the board, it is thought the delegates will be instructed to present the name of this town, as a suitable place to hold the next convention of the maritime

McNAIR'S MILL BURNED.

Property at Nash's Creek, Restigouche Co., Destroyed.

May 27.—Early Sunday morning fire was discovered in Mat. McNair's saw mill at this place, but not until it had gained such the building. Fortunately there was no wind at the time and the mill hands and wind at the time and the mill hands and others were able to confine the fire to the mill itself and practically no lumber was destroyed. About 40 hands are thrown out of employment. The mill had been running only a month and the fire is supposed to have originated from a heated journal. The loss is estimated at \$3,000. There is no insurance. This is the second loss Mr. McNair has sustained within six months, his shingle mill having been destroyed by fire last winter.
