ST. JOHN, N. B., JULY 20, 1872. Better Terms.

A few days ago, Hon. Mr. Mackenzie, those who would force a change in th leader of the Reform Party in Parlia- Union Act, on the weaker Province ment, in a speech delivered in Glencoe simply because they have the power referred in the following terms to the if he entertains the ideas which he pro policy of increasing the money indem- mulgates, differs little from Mr. Char nity to the Lower Provinces:-

the instruction of the case or the wishes of the weaker members. Mr. Mackenzie influence over his followers, therefore is adversely used as regards our interest, if the Provinces are willing, for a modification of the terms. But, no; the Government, after declaring that Nova Sootia had received all she was entitled to, turned round and, in order to buy up Mr. Howe and Mr. McL lian, agreed to give Nova Scotia some \$80,000 a year additional subsidy, without any reference to the Imperial authority. Look at the danger of this course. Ontario might unite with any of the smaller provinces and vote herself as much of the Dominion turds as she pleased. In the interest of the smaller provinces, therefore, it was right that the Imperial Act "The Imperial Act provided that a cer. the justice of the case or the wishes In the interest of the smaller provinces, therefore, it was right that the Imperial Act should not be interfered with by the Dominion Parliament. He pointed out at the time what the effect would be, and his prediction was being fulfilled. New Brunswick was demanding better terms and essignificant. was being lulliled. New Brunswick was demanding better terms, and assigning as a reason for the demand that better terms were given to Nova Scotia, and we had Mr Chauveau in his place at Ottawa deliber that declaring that as soon as Oneshoo eliber ITS PEOPLE, ITS INDUSTRIES ately declaring that as soon as Queueo needed more money she would ask for more from the Dominion. The expenses of the Quebec Government were enormously in excess of those of Ontario, in proportion ITS REQUIREMENTS, AND HOW TO to population and revenue, and they would ery soon have a deficiency unless they conomized. Where was this sort of thing to stop, if it was allowed to a majority in the Dominion Parliament to increase the subsidy of every province?"

Where is the practical difference be- Millidgeville is about as little known as tween the Dominion Parliament grant- any in St. John County. From the Indianing the financial concession, and the town road to the end of it on the Kenne Dominion Parliament recommending beccasis shore, it is only about three miles the Imperial Parliament to grant it? | yet not even the Quaco road can excel it The same majorities at Ottawa are re- in jolts, pitches, and granite boulders quired in either case; and what these For a highway so much used by the majorities require the Imperial Parlia- farming class of the lower part of King's ment to enact will certainly be enacted. County, who come over in the new steam In the case of Nova Scotia, majorities ferry, and the large floating population of from each Province favored the proposition, so that the change in her financial sadly neglected. The Counties of King and St. John, that are strongly represente position was made with the consent of in the Government, should have an allow-

ance for this much neglected road. Within It seems unfortunate for the Opposithe last two years a Joint Stock Company tion that the canvass which suits the have put on region of Ontario is utterly unsuitable for use in any other Province. The Reformers of Ontario may be opposed to doing justice; to New Brunswick and Nova Scotia, but certainly no body of electors in the smaller Provinces can venture to attach themselves to a Party which, through its leaders, declares its which slopes down to a beautiful cove, determination to oppose any equitable two points jut out on either side. On one arrangement of the financial question of these are the machinery, plant and tail where so small a sum of money—small chimney of compared with the resources of the Do-
