The Caraquet School Riot. The telegraphic accounts of the Caraquet school riot that were published here appear to have been literally true. we shall endervor to give as correct an account as possible. We have seen telegrams from different parties and received some at this office, while we have en leavoied to get more from both our Protestant and Roman Catholic friends. Telegrams from persons who intended for one tant and Roman Catholic friends. Tele grams from persons who intended to vote an assessment state that there were present at the meeting in the school house about one hundred French, a good many said they would take possession of his store, and destroy notes of hand, mort-gages and other securities he held against them, and indeed they made similar threats against other business men of the

It is important to note that those who broke up the meeting which had been legally called for the purpose of ascertaining whether or not the ratepayers of Centre Caraquet would vote an asssment for the purpose of continuing the district, not even residents therein, ing articles or paragraphs on incorporand could not plead in justification that ation of parishes and counties, having they belonged to an oppressed minority. been aroused by THE TRIBUNE to a Their action was simply an exhibition of fanatical hatred of non-sectarian free the management of municipal matters. schools, and the moral responsibility The Chatham Advance says: schools, and the moral responsibility for their acts rests on those from whom they imbibed their fanaticism. The free school in Centre Caraquet is taught by Miss Dwyer, a Catholic, and has been attended by eighteen pupils. The spiritual advisers of the Caraquet ruffians will need to clear their skirts of the late outrage or remain under the

portion of the County, such as St Slanon, Little Pass, etc.—persons who had neither vote nor residence within the district. They were at first noisy and riotous, and soon made demonstrations against those who had paid their school taxes, striking and beating several, including Mr. P. Rive, one of the trustees, and Mr. Philip Duval. The mobacted like madmen, and drove those in favor of assessment from the School building, the Trustees and most prominent Free School men being obliged to flee, in fear of their lives. The rioters nent Free School men being obliged to flee, in fear of their lives. The rioters then set a guard on the school house, declaring that no meeting should be held that day, and they succeeded in enforcing their desires, as the friends of the law feit that they would run too much personal risk should they endeavor to go to the school house and attempt to reorganize the meeting. ize the meeting.

During Thursday afternoon threats were freely made against the lives and property of the School Trustees, and especially against Hon. Robert Young, who, as a member of the Government
