"Let Me Help You Carry the Burden, Mother"

"If Canada fails us in October, we must curtail many of our activities."

Sir ARTHUR STANLEY, Chairman, Executive Committee, British Red Cross.

It now costs \$300,000.00 a week to carry on the work of the British Red Cross, or \$16,000,000.00 a year.

Every minute of the day and night it costs \$30 to minister to the sick and wounded and dying.

Last year Ontario's magnificent contribution paid for the entire work of the British Red Cross for nearly six weeks.

This year, in view of the greater need, it is earnestly and confidently hoped that Ontario's contributions will be as great proportionately as the magnificent offering of last year.

Our trust is, that the Citizens of Ontario will give generously to this noble cause on—

CLEAN STOMACH, CLEAR MIND.—The stomach is the workshop of the vital functions and when it gets out of order the whole system clogs in sympathy. The spirits flag, the mind droops, and work becomes impossible. The first work should be to restore healthful action of the stomach, and the best preparation for that purpose is Parmelee's Vegetable Pills. General use for years has won them a leading place in medicine. A trial will attest their value.
