

Doctor Tells How To Strengthen Eyesight 50 per cent In One Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home

Philadelphia, Pa. Do you wear glasses? Are you a victim of eye strain or other eye weakness? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eye two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

Note: Another prominent Physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any drug store and is one of the very few preparations I feel should be kept on hand for regular use in almost every family." It is sold in this city by

SOCIETY NEWS

It was with a feeling of great regret, that the citizens of the Twin City learned of the death of His Honor Judge Reade, which occurred at his home on Sunday.

The late Judge Reade had many qualities that endeared him to the hearts of his friends. He was a man who was always pleased to meet, always had a cheerful greeting, and most sympathetic, with any one, who was in need of a kindly word.

He will be greatly missed in all patriotic work as he was always ready to give and give cheerfully and liberally to every good cause. His memory will live long in the hearts of those who knew him.

Deepest sympathy goes out to Mrs. Reade and his sons, who are heartbroken over their great sorrow.

WOODSTOCK GIRLS BEAT STRATFORD QUINETTE.

Whyte Trophy Contest Results 12-10—Half-Time Score 6-5.

Woodstock, Ont., Jan. 31.—The second game of the Whyte Cup series, in which the local girls took part, was played here tonight between the W.C.L. and the fair quintet from Stratford. From start to finish the game was very exciting.

Woodstock scored the first basket. Mary McKay distinguishing herself thereby. In fact Miss McKay scored several times during the game, being responsible for many of the field goals.

Other Woodstock stars were Isobel Fraser and Lillian McCrimmon, both of whom did excellent work. The Stratford "leading ladies" were Mar-

Free Artificial Appliances for Disabled Soldiers

EVERY returned soldier, who is an amputation case, is provided by the Government with an artificial limb. He can have that limb repaired, and if necessary, replaced, without expense.

This is one of the many services rendered by the Department of Soldiers' Civil Re-Establishment to the returned soldier.

This department also supplies free "orthopaedic" appliances to correct as far as possible injuries to the feet, legs and arms; also special boots, splints, braces, etc. To those who need them, it also gives free surgical appliances such as trusses, spectacles, spinal supports, glass eyes, abdominal supports.

A Government factory has been established at Toronto to make artificial limbs. Here standard patterns, embodying the best ideas known, are manufactured.

In this work expert advice is given by surgeons who have seen overseas service, and who are in constant touch with similar work in other countries.

An experimental department is maintained for developing practical applications of new ideas, and for testing out all new appliances that become available in Canada or foreign countries.

Repair parts for standard patterns are kept in stock at fitting depots in the following centres: Halifax, Fredericton, St. John, Montreal, Ottawa, Kingston, Hamilton, Toronto, Winnipeg, Regina, Moose Jaw, Saskatoon, Calgary, Edmonton, Vancouver, Victoria.

At these depots there are experienced fitters who make repairs and adjustments under the supervision of surgeons. They also fit to individual patients appliances received in the rough from the factory.

These depots are so located that those requiring renewals, repairs or adjustments can get them free without travelling long distances. If there is no fitting depot in the patient's town, he is instructed by the Department's Medical Officer to travel to the nearest depot. He is furnished with free first class railway tickets, an allowance to cover meals and other expense, and an allowance to apply against loss of time from his work. If he must remain there for longer than a week he is maintained at the Department's expense, and he and his dependents receive the same allowances as if he were in hospital.

Artificial limbs, orthopaedic and surgical appliances are furnished free only when their issue is authorized by a Medical Officer of the Department. These representatives are listed alongside.

the Wilhelm and Enid Robertson, who were responsible for most of Stratford's baskets. Audrey Hughson also made a good showing.

The local girls displayed superior combination work, but nevertheless the Stratfordites put up a fine game and the final score, 12-10, in favor of Woodstock is indicative of the play. At half time the score stood 6-5 in favor of Woodstock.

Sending Money to Soldiers

Those who have friends or relatives at the front, may wish to send money, but possibly do not know the best way to do so.

If time permits, the safest and most convenient method of making remittances abroad is the Bank of Montreal Order or Draft, as issued by The Merchants Bank.

If, however, it is necessary to send money without delay, the Bank will arrange this by Cable Transfer.
