Never Before

The four has the motor — now at the height of its development — which drives more automobiles than any other motor of its power ever designed—

Such Big Cars for so Little

The six has the very latest most highly developed six cylinder en bloc motor of 35-40 horsepower with a lightning fast pick-up and truly remarkable flexibility

Order one to-day and enrich your life and the lives of every member of your family with the freedom and wider activity made possible by such a car.
