HR **ELECTIONS OFF** SRC SPECIAL MEETING;

BOYLEN GIVES \$5000 TO GEOLOGY DEPT.

A sum of \$5,000 has been presented to the University of New Brunswick's Department of Geology by M. J. Boylen, president and Managing director of Brunswick Mining and Smelting Connection and other mining and Smelting Corporation and other mining companies.

In announcing Dr. Boylen's latest gift to the provincial university, Dr. Colin B. Mackay, president, said that the sum would be used to purchase grinding and polishing equipment and related machines for the microscopic study of ores.

Dr. Boylen's assistance to the University of New Brunswick's AAA Secretary Department of Geology has meant a great deal to us" Dr. Is Elected Mackay said. "It has enabled us to expand our potential in the
