Femmes' Films

From February 19th to 22nd, Moncton will host a first Atlantic Women's Film and Video Festival. The event is organised and sponsored by Femmes en Focus Inc., a group of N.B. women which, since 1981 has produced and directed several films and videos.

Wishing to broaden its scope this year, the group has undertaken to prepare this first festival in order that other women's cinematographic works, as well as their own production company, may become better known. This non-competitive cultural event will give the general public the opportunity to view over fifty films made by women from across Canada and beyond. The program features a

great variety of films and videos.

In addition to these varied works, as an event within the event, a retrospective of Nova Scotian filmmaker Lulu Keating's works will be offered. All of her cinematic productions will be seen, a tribute, the organizers feel, to the sustained energy she has put forth up to this point in her career. As special guest, Mrs. Keating will be present throughout the festival.

Showings will take place at the Jacqueline Bouchard Building on the University of Moncton campus between 11 am. and 11 p.m.

Further information concerning the Festival may be obtained by calling 857-6106 between 10:00 a.m. to 5:00 p.m.
