E. S. COWDRICK,
ASSISTANT TO THE PRESIDENT

Denver, August 13, 1919.

Mr. F. A. McGregor,
The Roxborough,
Ottawa, Canada.

Dear Mr. McGregor:

In my letter to Mr. King, dated August 9, I stated that representatives of the Weyerhaeuser timber interests of Minnesota had arrived in Colorado to investigate our representation plan, with a view to adopting something similar. In June a representative of the Semet-Solvay Company, Syracuse, N. Y., spent about ten days visiting our properties for the same purpose.

Numerous inquiries regarding our method of conducting industrial relations have come in since I wrote you on March 29, as well as requests for the Bulletin, as indicated by the lists enclosed.

Yours very truly,

E. S. Cowdrick
