Hon. Arthur Meighen,
Ottawa, Ontario,
Canada.

Dear Mr. Meighen:-

A party of us are going into camp in August at Lake Desert. I believe Paul has written Ted about joining us and I sincerely hope that you will be able to let him join the party.

This Desert is a wonderful property and is so accessible, in fact, you can leave Ottawa in the morning and have dinner at the Lodge that night. I was just wondering if you and Mrs. Meighen could arrange to spend some time with us. There is one party going in the first of August and another the first of September. You might elect your own time. You know I would be delighted to have you and hope to hear favorably from you.

With every good wish, believe me,

Yours sincerely,

W. A. Woodman
