

B. refer to Mr. G
THE BELL TELEPHONE COMPANY OF CANADA

TORONTO, February 20, 1932

Dear Mr. Meighen:

In common with countless thousands, both Mrs. Gorrie and I share a feeling of genuine pleasure at your re-entry into the public life. If ever there was a time when men of courage and resource - men in whom our people repose a faith that will not be shaken however dark may seem to be the horizon - that time is now.

We will not extend congratulations - these are due rather to the Government and to the Country. Our hope is that you may long be spared to take the part in the government of our Dominion for which, on all sides, it is agreed your abilities so abundantly are suited.

Yours faithfully,

A. Myer

J. A. Gorrie
