

The Lord's Supper.

The Lord's Supper is the special service of Worship and Thanksgiving which Christ Himself has ordained.

The Lord's Supper is not a repetition of His sacrifice, but it is a continual representation of it before God. As often as you eat this Bread and drink this Cup of the Lord, you plead before God the merits of the great sacrifice.

It is ordained—

For the continual remembrance of the sacrifice of the death of Christ, declaring it unto men, and pleading it before God.

For the strengthening and refreshing of our souls by the Body and Blood of Christ.

For the partaking of the "one bread" which makes us "one body" in Christ Jesus.—1 Cor. x. 17.
