The Appellate Court at Toronto has just decided that a second wife is entitled to receive the insurance monies due on the death of her husband, when the first wife had been specifically mentioned as the beneficiary at the time that the policy was issued. In the case in question the daughter of the first wife claimed the whole of the insurance as her mother was dead and had made a will. At the first trial judgment was given in favor of the daughter, but the Appellate Court reversed this decision.

For some time, Mr. George H. Allen, general manager of the 'Travellers' Life Assurance Company of Canada, has been asking to be relieved from the duties of that position, so as to leave him free to devote his energies to the outside interests of the Company. At a meeting of the Executive Committee held on Tuesday, his request was finally complied with, the resignation to become effective October 1st, 1913. Mr. Allen will continue to be associated with the Company in the field.
