# A 40 Piece Tea Set

ACTUAL PHOTO OF SET

## For the Farmer's Wife or Daughter

THIS dainty tea set of 40 pieces is in semi-porcelain, nicely decorated with roses. It consists of 12 cups and saucers, 12 tea plates, 2 cake plates, 1 cream jug and a slop bowl. It is a set that any woman would be glad to have on her table when her friends drop in for tea.

Read what some of them have to say about it.

Marion McC., Glengarry Co., writes—"I received the tea set some days ago. It was all in good condition and I am more than delighted with it."

Marjorie T. Lennox Co.—"I wish to thank you for the tea set which arrived safely. I feel well repaid for my trouble, as it is quite up to my expectation."

Hilda D. Gladstone, Man.—"I received the tea set and I think it is very beautiful. I had no trouble in securing the subscribers."

Nancy E., Perth Co., Ont.—"I received the tea set which you gave me for securing 4 new subscribers, and would say to any of the ladies that it is well worth trying for."

We would strongly advise those desiring the set to act promptly. The war has interfered with the trade and there has been a sharp advance in porcelain ware. We have, however, secured a number of sets from a large firm, and while they last are offering them on the usual terms.

This beautiful tea set has proved to be very popular with our women folk; hundreds of them realize how little effort it takes having secured one. It is equally attractive on the tea table and in the china cabinet.

Call your neighbors up over the telephone, get four of them to subscribe to Farm and Dairy at \$1.00 each and we shall order one of the tea sets shipped to you as soon as we receive the subscriptions.
