

Derrick For Sale

I have a first-class Derrick, suitable for handling stone or any other heavy material, which I would sell or rent. For particulars apply to
WALTER CLARK, Contractor,
Sarnia, Ont.

TENDERS

will be received by the undersigned up to 4 o'clock p.m. of FRIDAY, JULY 22ND, 1904, for the construction of from 10,000 to 15,000 feet of Granolithic Walks in the Town of Walkerton. The work to be completed on or before the 1st day of September next. The successful tenderer to enter into a contract for the due performance and completion of the work accordingly. Specifications may be seen at the office of the undersigned.

W. S. GOULD,
Town Clerk.

Dated at Walkerton this 13th day of July, 1904.

PLANS FOR PUBLIC BUILDING

The undersigned is instructed by the Council of the Corporation of the Town of Toronto Junction to call for the submission of plans for a combined Police Station, Electric Light Station and Public Lavatory, on Keele Street, near the corner of Dundas Street. Building to cost not more than \$3,500, and only the Architect whose plans are accepted to be paid for same. Plans to be submitted to the Town Clerk on or before JULY 30TH, 1904.

W. J. CONRON, Town Clerk,
Toronto Junction, Ont.

TENDERS

Tenders will be received by the undersigned up to SATURDAY, JULY 30TH, for

STEAM ROAD ROLLER

for the Corporation of the Town of Toronto Junction. Give prices for 10, 12 and 15 ton roller. Payable in 5 equal annual instalments.

Tenders will be required to deposit a marked cheque payable to the order of the Town Treasurer for two and one-half per cent. of the amount of the tender, said cheque to be returned unless the person making proposal fail to execute the contract should it be awarded to him. The lowest of any tender not necessarily accepted.

W. J. CONRON, Town Clerk,
Toronto Junction, Ont.
