The Reasons for a Forward Movement

Fight the Good Fight

FIVE Christian Communions in Canada are engaged in a Forward Movement. They call their various constituencies, and the people at large to a livelier and more sacrificial Christianity. They are making a great financial appeal. It is fitting that the public should know the reasons.

The Decline of the Dollar

The sharp rise in prices the world over has affected seriously the position of all men working for a fixed salary. Missionaries are in this category. Stipends that were ample in 1900, and nearly adequate in 1912, are utterly insufficient in 1920. There has been no general increase in these stipends. There cannot be, until the Canadian people scale-up their giving in accordance with the decline in purchasing-power of the Canadian dollar.

New Standards for All

The Anglican Synods, the Baptist Conventions, the Congregational Union, the Methodist Conferences, and the Presbyterian General Assembly, have set new standards for the salaries of Clergymen actively engaged in Canada. But, for the Missionaries and for the Superannuated Ministers, no increases have been possible. One of the aims of the Forward Movement is to show the impossibility of maintaining missions, even on a pre-War basis, without greatly increased revenues.

The Call from Abroad

Despite this financial difficulty, new opportunities for the extension of Christian teaching have appeared. In India, literally millions of "outcastes" are pleading for Missionary preachers and doctors. In China Missionary teachers are required to help formulate the National system of education. Hospitals, Missionary nurses, doctors and dentists, are heartily welcomed by the people. From other lands comes the same story.

The Home Responsibility

Here in Canada the rapid growth of our cities, the expansion of the West, the great immigration of the last twenty years, and the depopulation of rural areas, make a four-fold problem.

Finally, the decline of the dollar has created difficulties in financing the various Colleges established and maintained for the training of the Clergy. The men of faith doing missionary work abroad are the product of these Colleges. The Church must continue them in action.

In Unity of Faith and Prayer

These are the facts. Faced with such conditions, the Church leaders, at first, were appalled. Putting aside for the time being differences of religious temperament, considering only their common belief in the Everlasting Father, the Almighty Son, and the everpresent Holy Ghost, they prayed together. Then they arose, thrilled with a glimpse of the wonderful Missionary opportunity, to appeal together to the whole body of Christians in Canada.

The Greatest of All Gifts

You are a believer in the Lord Jesus Christ, and in the Gospel He proclaimed. Your country has become great through Christianity. The hope and love of the Gospel have warmed your heart and illumined your life.

You will be asked by the representatives of your Church to show practical proof of your convictions. Be prepared—not to give a trifle out of your abundance, but to taste the full sweetness of Sacrifice.

"For God so loved the world, that He gave His only begotten Son, that whosoever believeth on Him should not perish, but have everlasting life."
