

# AYRSHIRES

WATSON OGILVIE,  
PROPRIETOR.

Ogilvie's Ayrshires won the herd and young herd prizes at Toronto, London and Ottawa in 1900; also at the Pan-American, in 1901, and in 1902 they won all the herd prizes and medals, sweepstakes and diplomas, with one exception. The cows are all imported, and were carefully selected for strength and constitution, style, size of teats, and milk (quantity and quality). The herd is headed by Douglasdale (imp.), champion at the Pan-American and at Ottawa, Toronto and London, in 1902, ably assisted by Black Prince (imp.). Stock, imported and home-bred, for sale at all times.

## ELECTRICITY IS LIFE

Your Chance to obtain a Genuine \$20 Prof. Morse Electric Belt at our Special Advertising Price of.....

### \$5.00

Read Our Special Offer

## Genuine MORSE ELECTRIC BELTS

At the heretofore unheard of price of \$5.00 is the greatest Electric Belt value ever offered. The Belt has been for years, and is still sold the world over by Medical Concerns for \$40.00. ....

We have purchased the entire output of the Morse Laboratory, and hereafter will be the sole distributors.

The Morse Belt is made exclusively in one grade—the very highest possible to manufacture, and this fact has been taken advantage of by medical men to rob the public by exorbitant prices. The Genuine Morse Alternating Current Electric Belt demonstrates the grand power of Electricity to weak, worn-out, debilitated men and women. An Unfailing Cure for all disorders of the Nervous, Muscular, Seminal and digestive systems. Instantly relieves Rheumatism, Neuralgia, Headache, Lumbago, Fever and Ague, Asthma, Kidney Troubles, Dyspepsia, Liver Disorders, Throat Troubles, Catarrh, Constipation, Sciatica, Pains in the Back, Sleeplessness, Nervous Debility or Exhaustion. For Paralysis and Constitutional Weakness it has no equal. For the quick and positive cure of all diseases that arise from a diminution or lessening of the vital power, which Electricity alone can restore and increase, the Morse Electric Belt is absolutely guaranteed. For a Weak and Deranged Nervous System the Electric Belt gives splendid results. It stops losses, repairs waste, strengthens every tissue and muscle, and the whole body feels the good effect. **Weak Men, Sufferers from Lost Manhood, Lost Vigor, Lack of Development, Varicocele, etc.,** are delighted with the prompt cure and restoration derived by the use of the Morse Belt, which we sell under our **positive Guarantee** to impart more Vigor, Strength, Energy and Soothing Effect in all physical ailments than any Electric Belt on the market. Every Belt is furnished with Electric Suspensory (not shown in cut).

### SPECIAL ADVERTISING OFFER

We are enabled to offer these Belts for a limited time at the actual cost to manufacture by reason of the fact that once introduced in any locality they will continue to sell themselves. We will forward but one Belt to each person at this figure.

**AN HONEST OFFER.**—We don't ask you to send us any money in advance. If you want one of these belts sent to your nearest express office so that you can see and examine it, free of cost, just the same as if you came into our office, or into any store, write us and we will send it, and if after examination you are satisfied that it is our regular \$20.00 Electric Belt, and exactly as represented, pay the express agent the special price and express charges and take it, otherwise it will be returned to us. Can any fairer offer be made than this? We are the only manufacturers of electric belts who send belts C.O.D. without asking one cent in advance. If you prefer, you can send cash with order, in which case we prepay postage or express charges, and guarantee the belt to be exactly as represented, or cheerfully return your money. **Send your Order to-day.**

### GOSSIP.

Being in the vicinity of Cobourg, Ont., recently, we had the pleasure of a look through the splendidly-arranged stables of Lake View stock farm, the property of C. & J. Carruthers, breeders of Shorthorn cattle, Berkshire and Yorkshire hogs. The Shorthorns are all of the heavy-milking Lady Eden family, on which have been used such well-bred Scotch bulls as the Nonpareil bull, Bomanton Boy 23514, by Imp. Baron Lenton; General Booth (imp.), Village Boy 5th 16352, Lawrence 36271, Indian Wave 23000, a son of Indian Chief (imp.). The yearlings and calves in the herd, including three ten-months-old bull calves, sired by British Hope 30946 by Salisbury 27135, dam Maid of Promise 8th (imp.) by Lord Stanley, show him to be the right bull in the right place, as his get are a grand type, low, thick and even, especially the three young bulls—they are good ones indeed. At present, the cows are all in calf to this bull and Count Amaranth (imp. in dam). All the young animals, both males and females, are for sale. The Berkshires are of Snell foundation, of which there are a number ready to breed, and several younger ones—a grand even lot, and wonderfully true to type. The Yorkshires belong to the Hollywell family. The stock boar is Latest Model 7081, sired by Summerhill Wonder 2nd 4672, dam Lakeview Lady 6188, by Legacy 2nd. He is a grand type of hog. One of the sows is Hollywell Queen 8418, by Duke of York 3027, dam Isabella 2716 by Prince Albert 766. A full sister of hers is Hollywell Princess 8419. There are a number of Yorkshires that are fit to breed—a rare good lot, with length, depth, evenness and smoothness; also, a few males fit or service. In poultry, the B. P. R. are the only kind on the farm. They are of Thompson and Cosh strains. The cockerel for spring is one of Hawkins' breeding. Settings may be ordered now.

### STEWART'S IMPORTED CLYDESDALES.

A few days ago, being in the neighborhood of Howick, Que., we called on Mr. Geo. Stewart, of Howick, importer of Clydesdale horses, and had a look over his new importation, and are bound to say we were delighted with the really superior quality of the animals shown us, being, in our opinion, the class of horses badly wanted in this country. They were: Homer 11374, bred by G. & J. Wilson, Liberton, sired by Good Gift, dam Liberta by Ethiopian, grandam Heir Jean Darnley by Darnley. He is a brown, two years old, a massive, big, model colt, and will make a horse over a ton, full of quality. Cambuslang, Vol. 25, bred by J. Wilson, Westburn; sired by the champion Hiawatha, dam Young Jess by Flashwood, grandam by Time o' Day. He is also two years old, bay, a compact, smooth, stylish, quality horse; one of the cart-horse kind; will make a ton horse, and, all round, is a cracker. Fair City, Vol. 25, bred by Scott Wylie; sired by Sir Archie, dam Montrave Rona by Brooklin, grandam by Prince Lawrence, g-grandam by Lord Eskine, g-g-grandam by Prince of Wales. He is a brown two-year-old; will make a 2,200-pound horse, one of the hard-to-get kind that combines size, style, smoothness, action and quality to a marked degree. Fidelity, Vol. 25, is a one-year-old, bay, bred by Wm. Muirhead, Little Demy; sired by Rosedale, dam by Boy in Blue, grandam by King William. He is the making of a big, smooth, "good-acting, dray-horse kind. Twilight, Vol. 23, is a five-year-old mare, bred by George Liddle, Kirkbrampton; sired by Gallant Sunrise, dam Sally by Charmer. She is a black mare, a big, fine animal, and has a black filly colt by Lord Gartley. Parties requiring such horses will do well to see or write about them soon, as they will soon go at the prices asked.

### St. Lambert Bull,

15 months old; solid color.

Strong and vigorous. His dam, sire's dam and her dam and grandam are all tested cows. This bull is a snap for a St. Lambert fancier. Also young bulls sired by Brampton Monarch (imp.) and out of tested show cows, and cows and heifers in calf to him. For prices, etc., address
