LARGEST STUD IN THE WORLD OF AMERICAN-BRED
Percheron, Shire and Hackney Stallions and Mares

I breed, feed, and grow them with size, quality and action. Won over 80% of all first prizes and gold medals shown for at New York, Ohio, Indiana, Missouri, Iowa, Minnesota and Wisconsin State Fairs and International at Chicago for four past years, and am now selling stallions of equal value at \$500 to \$1,000 below my competitors. My stallions are young and fresh, 2 to 5 years old, and sold on a guarantee of 60%. Terms to suit the purchaser. I pay no commission to salesmen, but will pay half railroad fare to Crawfordsville to intending buyers, and expense while here.

FOR SALE,
DRAFT HORSES
OF ALL AGES.

OWING to lack of range, we have decided to cut our herd of draft horses down to one-half and sell 2,000 head at greatly reduced prices. This great selection of mares, geldings and growthy youngsters of all ages represents the results of seventeen years of judicious mating to strictly high-class Percheron, English Shire, Clydesdale and Hackney sires. We can furnish high-grade brood mares and fillies with foal to imported and home-bred registered stallions, and have always on hand a large and first-class selection of registered and high-grade Percheron and English Shire stallions, also registered mares and fillies of same breeds. Correspondence solicited. Inspection invited.

A New
Importation Shires,
Clydesdales,
Percherons,

Just received at my Brandon stables; ages, 3 to 5 years; weight, 1,750 to 2,000 lbs. They combine CONFORMATION, WEIGHT, QUALITY and BREEDING in the highest degree. I do not handle old second-hand and worn-out show horses. I offer them at living prices, fully guaranteed, and on liberal terms. Syndicates or individual buyers should see them or correspond with me before purchasing elsewhere; can save big money by doing so.

Geo. E. Brown, Brandon, Man.

GOSSIP.

Mr. Arthur Johnston, the widely-known importer and breeder of Scotch Shorthorns, of Greenwood, Ont., whose long-established and up-to-date herd has supplied foundation stock and superior sires for perhaps as many herds as any other in America in the last twenty-five years, and who has now a valuable importation in quarantine, personally selected from leading Scottish herds this fall, is offering an unusually attractive lot of young bulls. In a letter of recent date, ordering a change in his advertisement, he writes that he has never offered a finer lot of young bulls, nor a better bred lot, most of them from imported Scotch cows and by imported Scotch bulls. There are in the herd at present twenty-three very fine young bulls, ranging from eight months to two years. There are twenty of them now fit for service. There are several show bulls in the lot. They are all in the very nicest condition, though not loaded with fat. In anticipation of the home-coming of his recent importation, he is offering bulls at very reasonable prices to make room. See Mr. Johnston's advertisement in this issue, and write him for prices, etc.

Two yearling heifers, three yearling bulls, one nine-months-old bull, sired by the Toronto champion, Spicy Marquis (imp.), is the offering contained in the advertisement of Mr. Jas. Gibb, of Brookside, Ont., breeder of Shorthorn cattle, appearing on another page, and every one a show animal of highest type. If Spicy Marquis will do for his present owner what he has done for Mr. Gibb, he is indeed a worthy sire, and equal to a gold mine. It may be said, without fear of successful contradiction, that a more choice collection, sired by the one bull, it would be difficult if not impossible to find. Spicy Marquis has done valuable service in the herd of Mr. Gibb, and is leaving behind him some young bulls and heifers that would do credit to the herd of the most fastidious breeder. They are indeed a grand lot. Mr. Gibb says: "Spicy Marquis has indeed brought me a reputation that cannot be surpassed. I have sold over thirty head since January 1st, but I still have some good ones by him left. Animals by Spicy Marquis, and bred by me, won first for senior heifer calf, fourth and fifth on junior heifer calf, and first for bull and three of his get at Toronto, 1903." If Spicy Marquis never gets another calf, he has left behind him in this young stock a name that will live in the annals of Shorthornism for many years to come. Mr. Gibb has now at the head of his herd Brave Ythan (imp.), Vol. 20, of the famous Lady Ythan family, that has produced many good ones. Brave Ythan has for sire Spicy Baron 77944, dam Lady Ythan 12th, by Brave Archer (who sold for \$6,000). He is a grand young bull, showing fine breeding and quality, a splendid head and strong back, and, although in only breeding condition, he shows prominently the characteristics that combine to make show-yard material. Mr. Gibb says: "I think I have got another Spicy Marquis in Brave Ythan." And we are inclined strongly to his way of thinking. This herd contains, among the number, such animals as Hawthorn Blossom 13th (imp. in dam), by Lyddite 77145, dam Hawthorn Blossom II. (imp.) (also in the herd), Vol. 47, by Livy 61118; Lady of Boyne 4th (imp.), by President 67611, dam Lady of Boyne III., by Master of the Ring 61294. Lady of Boyne 9th, by Consul 36021 (imp.) (sold to South America as one of the best bulls in Great Britain), sold for 400 guineas; Roan Empress II., by Scotland's Pride 36098 (imp.), got by Star of the Morning, who left 700 calves, whose averages in '96, '97 and '98 was 253 8s.; also sire of Pride of the Morning, the Highland Societies' breed champion at Aberdeen. Space will not permit of a complete review of the many good ones contained in this herd, and we can only say that they are all good. Any of the young animals offered for sale will make a valuable addition to any herd.

KENDALL'S SPAVIN CURE

the old reliable remedy for Spavins, Ringbones, Splints, Curbs, etc., and all forms of Lameness. It works thousands of cures annually. Cures without a bluish, as it does not blister.

Complete Cure for Bone Spavin.

Russell, Manitoba, Jan. 20, 1903.

Dr. B. J. Kendall Co., Gentlemen: I had to treat a young horse of nine years ago which had a Bone Spavin and got kicked on the same leg and was very badly swollen; so bad that I had to bathe it in warm water, then applied Kendall's Spavin Cure. I had Typhoid Fever the same winter and only gave the Kendall's Spavin Cure half a chance, and it only took one and a half bottles to cure his leg with very slim treatment, and it did so completely that you would never know that he had a spavin; he never has gone lame since.

Very truly yours, GEO. S. HARRIS.

Such endorsements as the above are a guarantee of merit. Price \$1.50, six for \$8. As a liniment for family use it has no equal. Ask your druggist for Kendall's Spavin Cure. Also "A Treatise on the Horse," the book free, or address
