Well DRILLING & PROSPECTING MACHINES

Fastest drillers known. Great money earners!
LOONIS MACHINE CO., TIFFIN, OHIO

THE only medium which conveys weekly to the farmers of Canada the advertiser's place of business is the Farmer's Advocate and Home Magazine.

"Good Luck" in Poultry Raising

is not "good luck," but good management. Diseases in poultry are due to poor feeding and poor protection. Rex Flintkote will absolutely protect from cold, heat and wet. Let us prove to you that

REX FLINTKOTE ROOFING

is the wisest purchase for top or siding. We can prove it.

We Will Send You Free Samples to Test together with our valuable roofing booklet, on receipt of postal request. Our complete book, "Making Poultry Pay," will be sent for 4c. in stamps. It is very useful to the poultry raiser.

OUR MODEL INCUBATORS AND BROODERS

Are the only panacea for failure past, present and future. Just take a few minutes and read the following two of many hundreds of unsolicited testimonials from our satisfied customers.

Bayham, Ont., Jan. 3, 1907
After using Model 11 incubator for one year Mrs. Mitchell writes us: "I would not be without my incubator for the price of two if I could not get another of the Model Incubators."
Yours truly, MRS W MITCHELL.

Orangedale, N. S., Feb. 11 1907.
Sirs,—No trouble to run your Model Incubator, as I was away from home for 11 hours each day and machine run itself, temperature of cellar changing 26 degrees in 12 hours; temperature of machine did not change in the least only the last days showed an upward tendency of half to one degree. Ran machine at 103, hatched 148 chicks from 178 eggs. There was only one chick dead in the shell in the lot. Dead germ of about 8 days in the rest. Eggs were very dark shelled, making safe to ting very difficult.
JOHN D. McNEIL.

THE FENCE WITH THE PEERLESS LOCK

WILL TURN ANY KIND OF STOCK

The best farm fence is one that stays after it is put up and doesn't require constant repairs. Strength and wear are sterling qualities in Peerless Woven Wire Fence. Because it demonstrates its ability to fulfill every purpose of a serviceable fence is the reason that so many miles of it are in use. Wind and weather do not effect it and stock can't go over, under, or break through it for it's made of all No. 9 hard drawn all-steel galvanized wire, locked with the famous

PEERLESS LOCK

the secret of strength in Peerless Fence. It keeps the fence firm and rigid, the wires in place and prevents any openings or breaks being made in it. It allows perfect adjustment to inequalities in ground surface, working equally well on hillsides or level land. The spring in the lateral wires gives it elasticity and there you have it—a perfect fence, no barbs to hurt, no bars to break—a strong, simple, safe fence. It's economical too—costs little more than plain wire and no expense for repairs. Write for our free fence book—it will interest you.
