RIPPLEYS COOKERS

Recommended and used by Wm. Lova, Georgia and New Mexico State Experiment Stations. Made of Cast Iron and Heavy Steel. Last for years. Run dairy separators, cook feed, heat and poultry houses, etc. Heat water in tanks or cook feed 250 feet away. Little fuel needed. Burns coal, coke, wood, kerosene, etc. No flues to rust or leak or fill with soot. Generates steam in twenty minutes. Boils a barrel of water in 25 minutes. We manufacture the largest line of cookers in America. Cooker and breeder's Supply catalog free. Special prices—only allowed Canadians. Rippley Hdw. Co. Mfrs., Box 5, Grafton, Ill., U. S. A. Northern Agents—International Stock Food Co., Minneapolis, Minn.

Professor and Mrs. Hadley were on a train bound for New York, where Yale's president was to speak before a national convention. He made use of the hour and twenty minutes he spent in the train by rehearsing his speech in a low voice, using his hands to emphasize certain passages. A kindly matron who was sitting directly behind Mr. and Mrs. Hadley, and who had been watching and listening, leaned forward, and, tapping Mrs. Hadley on the shoulder, said feelingly, "You have my sincere sympathy, my poor woman; I have one just like him at home."

Liquor and Tobacco Habits.

A. McTAGGART, M. D., C. M., 75 Yonge Street, Toronto, Canada.

GOSSIP.

Some few years back a Yorkshire vicar had a call from the squire's coachman, who asked him to christen his son. The vicar asked the name they proposed to give the child and the Jehu replied:

"Cicero."

"Cicero?" said the vicar. "Why, he was a great orator."

"I don't know about orators," replied the coachman, who had happy memories of having won a bit over Cicero's Derby, "but he was a great 'oss."

CLYDESDALES AND HACKNEYS AT AUCTION.

On Wednesday, February 10th, as announced in our advertising columns, Messrs. J. J. Black & Son, of Winchester, Dundas County, Ont., will sell by auction the following high-class horses: Adam Bede (imp.) [4783], Clydesdale stallion, brown, six years, by the noted Baron's Pride, dam by the great Macgregor. There is no better breeding, and few better horses; he is a Toronto and Ottawa winner. Gladden's Pride [7922], Canadian-bred Clydesdale stallion, bay, three years, by Imp. Hopewell, a full brother to the champion Hiawatha, dam by Imp. Self Esteem. This is a very large colt of splendid type and quality. Sally Lloyd (imp.) [11209] is a brown four-year-old Clydesdale mare, by Royal Fashion, dam by King of Kyle. This mare won first prize at Ottawa, and is in foal to Adam Bede. Lady Marie (imp.) [11115] is a bay four-year-old Clyde mare, by The Lord Steward, dam by Warlahy. She, too, is in foal to Adam Bede. Rillington Grandee (imp.) is a ten-year-old brown Hackney stallion, by the champion Rosador, dam by Fireaway. This superb horse never took second place, and won first and championship at the Ottawa Winter Show a few days ago. Merry Andrew (imp.) is a brown Hackney stallion, that won first and championship at Ottawa in 1906. Here are a pair of Hackney stallions, that for style, quality, and all-around action, are hard to duplicate. Coter's Prince Charles (imp.) is another ten-year-old brown Hackney stallion, that won first at Ottawa last fall in harness; a superb animal. Deveras, 2.11½, is a black Standard-bred stallion, by Direct, 2.05½. This is one of the most noted sires of speed in Canada. All these horses are said to be right in every particular. There will also be sold two Clydesdale foals.

SPRINGHILL AYRSHIRES.

With a reputation of excellence, almost, if not quite, unequalled by any herd on the Continent of America, the Springhill herd, the property of Messrs. Robt. Hunter & Sons, Maxville, Ont., are justly entitled to all the honors that have been so lavishly showered upon them. Never in all the years of their unparalleled success has the herd been stronger than it is just now, either in point of numbers or in quality. Eighty-five head make up the herd as it stands to-day, nearly all either imported, bred by leading breeders in Scotland, imported in dam, or bred in Canada from imported stock on both sides, at the head of which is the grand stock bull, Imp. Durward Lely, which, besides being a show bull of a high order, last fall winning second at Toronto; first and championship at London, and third at Ottawa, is a son of the highest official-record Ayrshire cow in Scotland. An example of the high quality of the herd is found in the fact that last fall at Toronto, they won five out of eight first prizes offered, and grand championship on the cow, Barboigh Big Nancy 2nd (imp.); also championship at London and Ottawa on the cow, Dal-fible Grace 2nd (imp.), besides first aged herd at London and Ottawa. For sale, there are six young bulls, from three to five months of age, all with imported sire and dam; ten heifers about the same age, bred from imported stock; five heifers about ten months old, three of them imported, the other two Canadian-bred; six Canadian-bred and five imported yearling heifers, and an exceptionally choice lot of two and three-year-old heifers. It may be of special interest to some readers of "The Farmer's Advocate" to say that there is a six-months-old bull calf out of the Toronto grand champion cow, and sired by the richly-bred stock bull,

RHEUMATISM & STIFF JOINTS

When you have any deep-seated pain in the joints, the back, the wrists, or elsewhere, place a liberal supply of Zam-Buk on the fingers, or on the palm of the hand, and rub it in. The penetrating power of this "embrocation-balm," kills pain and removes stiffness.

Sound rubbings of the affected parts with this wonderful balm will drive out all pain, reduce swelling, strengthen the skin and tissues (enabling them to resist cold and damp better during the winter months), and restore perfect elasticity and looseness.

MONTREAL LADY'S EXPERIENCE.

Mrs. Frances Wyatt, of 25, Guy Avenue, Montreal, says:—"I have found Zam-Buk most soothing and valuable in a very bad case of rheumatism, and also for stiffness of joints and muscles. I suffered long and acutely from rheumatism, and tried one liniment after another in vain. I also took medicines internally, but it remained for Zam-Buk to effect a cure. "I began applying this balm whenever I felt the aches and pains of rheumatism coming on, or felt any of the stiffness. "The result was truly wonderful. Zam-Buk seemed to penetrate to the very seat of the pains, driving them out completely, and I am now quite cured."

WHAT ICE HOUSES AND STEAM DID FOR HIM.

Mr. P. G. Wells, of 338, Ogden Street, Fort William, Ont., says:—"Following my duties in attending to passenger trains, I often get wet through with rain and steam (the latter in winter). This with hours of duty in icehouses in summer, was no doubt the cause of my contracting rheumatism in both knees, left arm, and shoulder. This got so bad that I could no longer work and was laid off on three different occasions for several weeks during which I was under the treatment of my doctor. I seemed to get little if any better, no matter what I tried, and this was my state when Zam-Buk was recommended to me. I laid in a supply and to my great joy it began to cure me. I rubbed it well in every night, and when a few boxes had been used found I was free from the pain and stiffness of rheumatism. I have had no more trouble from the disease."

Zam-Buk is a positive and certain cure for cuts, burns, bruises, sprains, piles, festering sores, ulcers, scalds, blood-poisoning, eczema, scabs, chapped hands, cold cracks, chilblains, ringworm, scalp sores, bad leg, discolored ankles, and all other skin diseases and injuries. Rubbed well into the parts affected, it cures neuralgia, rheumatism, and sciatica. All druggists and stores sell at 50 c. box, three for \$1.25 or post free from Zam-Buk Co., Toronto, for price. Refuse the harmful imitations sometimes represented to be "just as good."

ZAM-BUK

THE GREAT SKIN-CURE.

Replace Your Broken-down Wheels With Our Wide-tire Steel Wheels.

Have you a wagon that is all right except for the wheels, which are either worn-out or rotted to pieces? Then, why not get a set of our Low Wide-tire Steel Wheels? They are made to fit any axle. Lighter, stronger, more durable than wooden. Make your wagon good as new. Catalogue sent you free if you say so.

Dominion Wrought Iron Wheel Co., Ltd., Orillia, Ont.
