

A home with music
is much more attractive
than one without it!

While visiting the Exhibitions at
Toronto or elsewhere, be sure
and see the display of

BELL Art PIANOS

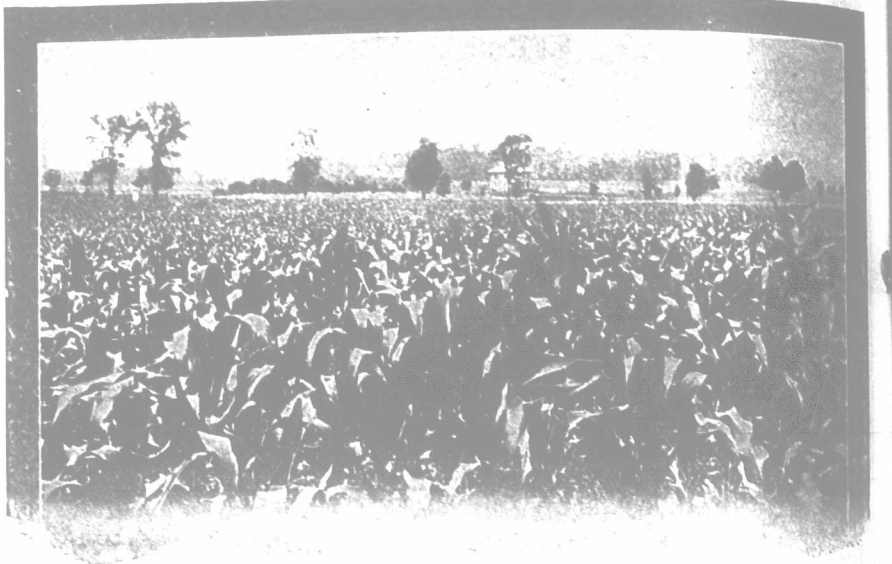

Autonola Playerpianos
and
Bell Pipe Tone Organs.

Investigation costs nothing, and
you will feel you have seen an
exhibit of high merit.

The Bell Piano & Organ Co., Ltd.

Factories at Guelph, Canada.

Branches at: Toronto, Ont.; Ottawa, Ont.; London, Eng.

FROM THE FIELD TO THE SILO

QUICKLY ECONOMICALLY SATISFACTORILY

BY USING THE

Massey-Harris

CORN BINDER
BLIZZARD ENSILAGE CUTTER

The Corn Binder

Cuts tall or short corn,
standing or down, and
binds it securely
into neat, easily-
handled sheaves.

Adjustable to cut
from three to eight-
een inches from the
ground, and can be
levelled when work-
ing on a hillside.

Easy on the
horses, and easy on
the driver.

The Ensilage Cutter

Has great capacity, and is adjustable to cut from
 $\frac{1}{4}$ to $1\frac{1}{2}$ inch long.

Blower has ample power to elevate the ensilage.

The travelling table and spring-controlled feed rolls
provide a positive feed, and, as the rolls may be instantly
stopped or reversed, it is the safest cutter you can use.

Furnished with a transport truck when ordered.
