

Save Friction, Save Wear, Save Fuel Bills

Use

## Capitol Cylinder Oil

The very best oil for steam plants on the farm. Lasts longer and gets more power from the engine, with less wear, than any cheap substitutes; costs less in the end.

## Atlantic Red Engine Oil

A medium boiled oil, strongly recommended for slow and medium speed engines and machinery. Eases the bearings and lightens the load.

## S. Peerless Oil

Has no equal as a lubricant for farm machinery generally. Specially suitable for reapers, mowers and threshers.

## Heller-Aller Pneumatic Water Supply System

THE HELLER-ALLER CO., WINDSOR, ONTARIO

solves the problem and makes it possible to have running water anywhere in the house, stable or yard, for all domestic purposes, and for fire protection. The cost is so low that almost every country resident can afford to install it. Operated by windmill, electric motor, gasoline engine or by hand power. Write for information.

# DE LAVAL CREAM SEPARATORS

## Cheapest as Well as Best

Every sensible person wants the **best** of everything, but in many things the best is beyond their means, and they must necessarily be content with something less.

In the case of the Cream Separator, however, the **best** is fortunately the **cheapest** as well, and it is of the greatest importance that every buyer of a separator should know this.

Moreover, the **best** is of more importance in the case of the Cream Separator than in anything else, since it means a saving or a waste **twice a day every day in the year** for many years.

It is true that DE LAVAL Separators cost a little more in first price than some inferior separators, but that counts for nothing against the fact that they **save their cost every year over any other separator**, while they last an average twenty years as compared with an average two years in the case of other separators.

And if first cost is a serious consideration a DE LAVAL machine may be bought on such liberal terms that it will actually **save and pay for itself**.

These are all-important facts which every buyer of a Cream Separator should understand and which every local DE LAVAL agent is glad to explain and demonstrate to the satisfaction of the intending buyer.

If you don't know the nearest DE LAVAL agent, please simply address the nearest of our main offices as below.

**DE LAVAL DAIRY SUPPLY CO., LIMITED**  
173 WILLIAM ST., MONTREAL 14 PRINCESS ST., WINNIPEG

## Reliable help for the farmer

Farm labor is scarce. Wages are high. All the more need for a **BARRIE ENGINE**. Soon pays for itself in time and labor saved. Grinds grain, shells seed corn, pumps water, cuts straw, threshes beans, saws wood, drives churns, separators and washing machines. Does many other things, too.
