To intending Emigrants FROM NOVA SCOTIA

THE CANADA COMPANY would submit to the serious consideration of parties who may contemplate leaving Nova Scotia whether the Western Section of Canada (formerly the Province of Upper Canada) does not offer every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, the soil very fertile, and abundance of excellent Land to be obtained upon easy terms from the Government and Canada Company. The great success which has attended Settlers in Upper Canada, is abundantly evidenced by the prosperous condition of the Farmers throughout the Country, and is also shown by the success of many Natives of New Brunswick and Nova Scotia who have settled in many Townships of the Country;—and the individual progress made by several thousands of people who have taken Lands from the Company, corroborates the success which has attended settlement in Upper Canada.

THE CANADA COMPANY'S LANDS

Are offered by way of Lease for Ten Years; or for Sale, Cash down. The plan is 1/5th Cash and Balance in instalments, being done away with. The Rents, payable 1st February each year, are about the interest, at Six per Cent, upon the Cash Price of the Land. Upon most of the Lots, when Leased, no Money is required down; whilst upon the others, according to locality, One, Two, or Three Years' Rent must be paid in advance, but these payments will free the Settler from further Calls, until the Second, Third, or Fourth Year of his Term of Lease.

The Settler has secured to him the right of converting his Lease into a Freehold, and of course, stopping payment of further Rents, before the expiration of the Term, upon paying the purchase Money specified in the Lease.

The Lessee has thus guaranteed to him the entire benefit of his Improvements and increased value of the Land he occupies, should he wish to purchase. But he may, if he pleases, refuse to call for the Freehold: the option being completely with the Settler.

A Discount, after the rate of Two per Cent, will be allowed for anticipated payment of the purchase Money for every unexpired year of Lease, before entering the Tenth Year. The Lessee has also secured to him the benefit of the

"Star Life Assurance Company," OF LONDON.

THE AGENCY of this Company has been established in this Province about three years, and has made some progress, and up to the present time, without a claim being made upon it. The Directors have recently instructed the Agent to allow persons insuring for the whole term of Life, to pay one half the premium for the first five years, and give a vote bearing interest, for the remaining half, upon the same condition as the National Loan Fund Association. As the proportion of profits is divided among the Policy holders, with participations greater in this than any other Company—being 50 per cent—therefore recommends itself to the favourable consideration of all persons intending to insure, the rates being as low as in any other company. If persons would give the subject of Life Assurance their serious consideration, they would be convinced that it is the very best investment to be found for a moderate amount of money, for the benefit of their families after they are taken from them. The attention of heads of families in this Province generally, and those of Halifax in particular, is earnestly invited to this subject, and while the business of Health is enjoyed, to call upon the Agent of the "STAR" Association for admission into the Society, who will furnish all necessary blanks and give every information requisite at his office in Jerusalem Warehouse, Hollis Street. POETRY.

Blessing. And my prayer shall turn into joy.—PSALM XXXV. 13.

What ever lost by giving? The sky pours down its rain, Refreshing all things living, While mists rise up again.

Go rob the sparkling fountain And drain its basin dry; The barren seeming mountain, Will fill its chalice high.

Who ever lost by loving? Though all our heart we pour Still other spirits moving, To pay our love with more.

And was there ever blessing That did not turn and rest; A double power possessing, The bleaser being bless'd?
