ST. ANDREWS, N. B., CANADA. Saturday, 27th January, 1917

PRORGESS OF THE WAR

[January 18 to January 24] O far as relates to operations on land the week under review was one of the tful since the war began. some activity at several points, but ex-cept on the Somme front north of the Ancre, where the British took some

xcept at the extreme south of the line, on the Danube, where the Teutons and Bulgars made some gains, the week

rently, resulted in few changes. No news of any consequence was receiv- St. John on Monday. He was accompa ed of the Caucasian campaign; and of the led by Mrs. Clarke. campaign in Mesopotamia the only report

Egyptian campaign; but it furnished reports of the steady progress of the British tro. ps in East Africa, who were gradually but surely encompassing the remr the German troops in the southeast of what was German East Africa. Thi

itly, were not activ ring the week in the Balkan campaign Powers, at least as to the release of Venizelist prisoners and the moving southward of the Greek troops.

There was no apparent change in pos-ions in the Austro-Italian campaign.

The week witnessed increased destruction of merchant shipping by enemy set forth in "News of the Sea "; and a who have been visiting their mother, Mrs. clash between small craft of the British Morrell, at Oak Bay, for the past month, and German navies took place in the North Sea, on Monday, in which the California. Germans seem to have been the heavier and most of her officers and crew were John Ryder. killed; but a number of German vessels were lost, probably seven in all. Authentic details were not available up to time

Mr. Woodrow Wilson has been again in the lime-light this week. On Monday he addressed the Senate on the subject of the position of the United States in the lime-light this week of further than the subject of the position of the United States in the lime-light this week. On Monday he addressed the Senate on the subject of the position of the United States in the lime-light this week. On Monday he addressed the Senate on the subject of the tidy sum of \$115.00 which will be used to further the monday work of that what might be done to bring about to maintain a world peace. The address, so he said, was already on its way to the several belligerents. It is too soon mother, Mrs. Richardson. ent on Mr. Wilson's unusual pro ceeding, especially as his real inter and meaning are obscure; but more ligh wn on it by more addres and notes, or it will be further hereby. Meanwhiie the struggle will pro ceed till the under dog, the dachsi believe, cries "Hold, enough!"
