Yesterday afternoon and evening the Brantford Football League, helped by a few promoters from Hamilton and Toronto, held an athletic meet, which certainly deserved to be a success. Everything which goes to make an athletic tournament successful was prepared for the day, but the general public of Brantford did not do their share, and consequently the meet was a failure as far as an enthusiastic crowd was concerned. In the afternoon there were no more than 75 spectators, and for the football match in the evening there were probably 200 fans out. Bandmaster Johnson with his musicians was hired for the day, and rendered excellent music while the several events were being run off.

some of the best athletes of this district turned out to participate in the races and games, including some from Hamilton and Toronto. The races were run off in front of the grandstand on the ball field, making rather hard running, especially for the sprinters, and when this fact is taken into account, the time will show that the races were pretty fast. H. H. Hamilton of the Y.M.C.A. acted as starter, Lewis were the judges. Chief Lewis

A game of soft ball was played between the Night Owls of Hamilton Lloyd Harris and the local G. S. and M. team. resulting in a victory for the Night Owls by a score of 15-4. This game was greatly enjoyed by the few spectators and shows that soft ball is gaining in favor with a large number of the younger element. The G. D. Watt batteries for the game were: Night A.
