**Everybody's Favourite**

Children think only of the sweetness and delightful flavour, on Bread, Toast and Griddle Cakes.

But "grown-ups" know of the splendid food value of this famous table syrup—how wholesome and nutritious it is—and far more economical than preserves, or butter and sugar, when spread on bread.

Get "Crown Brand" in the 3 pound "Perfect Seal" Glass Jar—or 2, 5, 10 or 20 pound tins, if you prefer.

## NO WORD HEARD FROM PERSHING

But General Funston Continues to Press For News.

WHAT ABOUT TOMPKINS' FORCE?

Small American Band Near Parral May be in Great Danger.

By Special Wire to the Courier.

Washington, April 14.—General Funston reported to the War Department to-day that he had received no word from General Pershing on the fight Wednesday at Parral, but that he is continuing to press for information.

Deep anxiety was felt in official circles to-day over the fate of Major Tompkins and his little force of United States cavalry attached in Parral, Mexico, on Wednesday. Known to be outnumbered, perhaps beleaguered, in a district notoriously anti-American, it was feared that the troops might be in grave danger. Lack of information from the isolated detachment intensified the anxiety for their safety.

While awaiting official information regarding the outcome of the first battle, the American troops have had in Mexico with the natives and what steps General Funston has taken to prevent further trouble, the discussion of what effect the attack will have on the administration's Mexican policy was under consideration to-day by President Wilson and his cabinet.

General Carranza's note and telegrams urging the withdrawal from Mexico of the American troops and all information at hand regarding the latest military developments were ready to be laid before the cabinet. It was said to be practically certain that no immediate order for withdrawing the troops would be given.

### THE BRANT.

One of the best bills ever seen at the Brant is the verdict with regard to the offering for the last of the week. Epe and Dutton, comedy novelty entertainers do an excellent stunt and "Kidland" a miniature musical comedy with seven juvenile stars, is a splendid and entertaining offering. The photo play "Lydia Gilmore" in which Pauline Frederick, the great emotional actress, takes the leading role of a thrilling story in five parts.

No more dogs are to be sold by the village commission of Ridgfield Park, N.J., to New York institutions for vivisection purposes.

### HAIR COMING OUT?

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand and rub it into the scalp. After a few applications the hair stops coming out and you can't find any dandruff.
