## HYPOCRITICAL PASTOR WILSON

Enraged Utterance of the Kaiser at Word of Break in Diplomatic Relations

BERNSTORFF BLAMED For Lack of Tact in Dealing With American Government

Paris, Feb. 18.—I hear from a very good source that the news of the diplomatic rupture with the United States arrived like a bombshell in the Imperial circles at Potsdam. New tension with Washington after the submarine note was expected, but nothing as drastic as a rupture. On the same morning (Feb. 3) a cablegram from Count von Bernstorff announced that a new note from President Wilson might be expected, but nothing else.

The emperor received news of the rupture as he was sitting down to the table and flew into a violent rage, so those who were in touch with Potsdam circles affirmed.

Remarks made by the Empress to her intimates gave the latter to understand that the Imperial wrath was directed principally against von Bernstorff. The Empress complained that the Emperor's representatives at Washington invariably created misunderstandings, and had always been man lacking in tact, especially in handling "the hypocritical English pastor at Washington," meaning President Wilson.

Chancellor von Bethmann-Hollweg finally managed to appease the Kaiser taking up von Bernstorff's defence.

The Emperor ordered the Chancellor to do all that was possible to avoid making matters worse. This would explain the memorandum transmitted by the Swiss Minister, as being prompted by von Bernstorff, following a message from the Chancellor.
